Hi Rachel,

Yes, Dr. Shanklin and our office would be on board to fund the \$373.62 for this project. Just let us know if/when we need to sign off on the NDF.

Hope you are staying well,
Caleb

CW Shanklin,

Would your office be interested in contributing NDF funding to cost share for overtime spraying of Preston Hwy between Fern Valley Rd and Eastern Pkwy on both sides of the road? We currently have commitments from D10 and D21. If divided three ways, we are looking at a cost of \$373.62 per district.

Did either of you reach out to Barry about an estimate for spraying the weeds on Preston? If not, I'd like to be included or I'd be happy to initiate. I'm interested in partnering here for maximum benefit.
