Hello, Ms. Peers

The tree in question is a 40" Red Maple. The cost for removal is 1,632.00. If you let me know when the funds will be appropriated, I will get it scheduled with the contractor ASAP.

Thank you,

Yes, I think we could use CIF if you all will accept the appropriation. But let's see just how much first.

Thanks,
Carrie

The power lines are too close to the tree for our crews. This will have to go thru the contractor. Do you have funds?

Mark,
Can you estimate the Bob Ray cost to have the tree removed?
