**Flag Status:** Completed

**Dear Metro Council Member,**

Each year for Christmas, the Louisville Metro Police Department Third Division along with sponsoring from the Louisville Metro Police Foundation conduct a charity event titled "Shop With A Cop". This program is designed to help disadvantaged children in our community for Christmas by providing them with clothing and other necessary items they otherwise would not receive. We are preparing plans for this year's event and would like to ask each Council Member servicing this division, if you would be willing to make a monetary donation of any type that could be used for this fantastic event.

In order to provide this service, the Third Division identifies a short list of children which will be provided by counselors or other personnel from the neighborhood schools who verified the children were in need. With the generous help of participating businesses and others, officers use all donated money to buy these children new clothes, toys, shoes, hygiene articles etc. The children get to spend the day with a caring officer and have a positive interaction with those officers.

This year, we would again like to provide for as many children on the list as possible. In doing so, the Louisville Metro Police Third Division is hopeful that you can assist us by making their Christmas a little brighter by donating a contribution.

If you are able to donate anything, it would be much appreciated. If you could reply by Tuesday November 22<sup>nd</sup> with a response, so we can assess the total funds we will have for the program this year which will allow us to determine the number of children our division will be able to sponsor.

Thank You for your consideration,

*Sergeant Russell J. Miller*

**Subject:** Kids, Cops and Christmas

Thank you so much for coordinating with the Councilmembers in our Division to donate \$500 (totaling \$2,000) for our program. I am going to contact OMB as you suggested and find out the procedure to have the funds released once the Appropriations Committee has met on November 29<sup>th</sup> and approved the funds. Thanks again.
