Please see CW Fowler's needs below:

Beth needs a breakdown of the of funds needed to completely fund this project. She will then reallocate the existing left over funds I have in Public Works and then allocate the remainder from my CIF account. And as I have requested prior, I would like to appropriate the ROW acquisition funds for segment 2 at this time along with the design costs and if I remember correctly that totals approximately \$100K for segment 2. So if you could spell all of these things out in an email to me, copying Beth and Cindy, I would greatly appreciate your assistance so we can move forward with the transfers and reallocation. So are you confused yet!? Haha! I am a little! Anyway, thanks!!! Cindi

Below is the most recent account codes I have for the "D14 New Sidewalk Ashby Lane Project"
\$50,000 Bond
\$98,000 Federal

Ashby Lane - Phase 2	14	4,130		2019	Kurowsky	8137 410 8111 148465 821345 \$10,000	
						8137 410 8111 148465 822705 \$35,000	
						8137 410 8111 148465 841201 \$5,000	
						8601 410 8111 148465 821345 \$40,000	
						8601 410 8111 148465 822705 \$50,000	
						8601 410 8111 148465 841201 \$8,000	

I have already made the following PO for Phase 2 Design with just the local funding portion (black numbers above). I am hoping the blue numbers can be switched out to the Stony Brook Drive sidewalk project.

Quantity	Description	Unit Price	Sub Tot			
1	Ashby Lane Phase 2 Sidewalk Design	\$15,600.00	\$15,600.00			
<input checked="" type="checkbox"/> Insert item						
			Purchase Total: \$15,600.00			
Cost Center Distribution:						
Commodity Code	Fund	Dept	Division	Unit Activity	Account	De
91347	8137	410	8111	148465	821345	\$1
91347	8137	410	8111	148465	841201	\$5
91347	8137	410	8111	148465	822705	\$6
<input checked="" type="checkbox"/> Insert item						
			Account Total: \$15,600.00			

Below is the rest of the project estimates:

Segment 1 Budget:

Design = \$15,600
 R/W = \$6,600
 Construction = \$200,000
 Total (Segment 1) = **\$222,200**

Segment 2 Budget:

Design = \$19,000
 R/W = \$80,000
 Construction = \$114,000
 Total (Segment 2) = **\$213,000**

We have \$148,000 now. At our meeting last week with D14, they indicated they can move some money (approx. \$74,200) over so we could finish up Segment 1. Then she indicated that they maybe find more money to start the Segment 2 process.

Please call me if we need to verbally go over this..... :)
