SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

MISSION

Bridge Kids International is a global non-profit organization helping young people of Africa and the African Diaspora, aged 13-25, unleash their social entrepreneurial spirits to solve economic development, education, environmental, girls' rights, and health challenges and build sustainable communities. Bridge Kids links youth and young adults of Africa and the African Diaspora for the purposes of friendship, cooperation, and individual and community empowerment, implementing the idea of dynamic global citizenship.

VISION

Bridge Kids International believes that young people of Africa and the African Diaspora have within them the genius and capacity to solve challenges in their lives and communities. We link young leaders from Africa and the African Diaspora, creating a dynamic global community based on real work, a sound understanding of the interconnectedness of issues and people, a genuine concern for and curiosity about each other, and a deep recognition that young people - when provided with resources and given the chance- have the ability to create lasting change.

Through Bridge Kids, young people from large urban centers to remote rural villages gain access to the world. They join a network of budding social entrepreneurs who tap into their own creativity to create smart solutions to real challenges. By helping young people improve their lives and home communities, learn about global issues, and travel internationally, the organization gives them a mechanism to exercise their leadership, access their human rights, and expand their worldview while making real friends across the globe. Bridge Kids has a multiplier effect; we impact young people and they impact others in their communities. As the small scale actions of many inspired people coalesce into a wave of transformation, the possibilities for change become limitless.

SERVICES

Bridge Kids International establishes Bridge Kids Groups globally. Bridge Kids Groups are comprised of young people aged 13-25 who work in their home communities developing projects in the areas of economic development, education, the environment, girls' rights, and health, while forming a global network of friendship, cooperation, and support with other Bridge Kids Groups around the world. Bridge Kids recently added cultural production (arts) and intergroup relationship building to our portfolio of work. Bridge Kids Groups are run locally and are often connected to existing programs for young people. The young people work on their projects and activities locally under the direction of their Adult Advisors. Bridge Kids International organizes the international activities that connect Bridge Kids Groups around the world and helps build the capacity of the groups. We currently have Bridge Kids Groups in Bukavu, East Democratic Republic of Congo; Accra/Ada, Ghana; Chikwawa, Malawi; Kigali, Rwanda; Saint-Louis, Senegal; Kampala, Uganda; and Louisville, KY, USA.

In an effort to support Bridge Kids Groups, further address Bridge Kids' five focus areas, and build sustainability for the organization, Bridge Kids International strategically establishes projects in the communities where it operates. Under its new program, Bridge Kids Builds, the international organization and partners are building a mud brick factory and community development center in Saint-Louis, Senegal. In partnership with the local community in Tolon, Ghana, Bridge Kids International has established a Communication Café. In Louisville, KY, the organization is working on Mending the Bridge, a model to strengthen relationships between African-Americans and African nationals in the city. A key component in that effort is the African Heritage Festival. Additionally, Bridge Kids is one of the partner organizations that established Roots & Wings, a unique theatre project integrating art, poetry, dance, music and performance as catalysts for restoration of self and community. Roots & Wings will play a major role in the opening ceremonies of the African Heritage Festival. Also in Louisville, Bridge Kids International is establishing its global headquarters in Louisville by turning a deteriorating building in Ben Washer Park into a unique community gathering place centered around youth social entrepreneurship, global citizenship, intergenerational relationships, and

The funding request is for Louisville’s African Heritage Festival. Held August 26-27, 2016 inside and outside of the Kentucky Center for African American Heritage (KCAAH,) the event will be a city-wide celebration of unity, culture, art and history across the African Diaspora. Hosted by Bridge Kids International, KCAAH, and the Kentucky Old School Sports Association, the African Heritage Festival is being organized by a dynamic team from across Louisville representing a variety of countries and backgrounds. The whole city will be invited to this unifying day that will be fun, educational, and certainly full of flavor. Our goal is to attract at least 1200 people in this fourth year.

The African Heritage Festival will be a joyous two day event for the whole family with great food, music, dance, theater, fashion, cultural demonstrations, children’s activities, resources for healthy living and so much more. For the first time, the African Heritage Festival will be included in the expanded celebration of Louisville’s WorldFest. On Friday, the Opening Ceremony will include a cultural reception focused on the visual and performing arts. Also new for 2016, our Saturday celebration will be a street festival! It is a wonderful addition to support the revitalization efforts in the historic Russell neighborhood. Some highlights this year include:

- a parade starting at 9th Street where we will cheer on the African Heritage Festival soccer tournament at Old Walnut Street Park. The parade will proceed down Muhammad Ali Blvd. and end at 18th Street where the festival will take place in front of the KCAAH.
- a street basketball tournament

It is important to offer a warm welcome to our new neighbors and educate the wider community about the increasing diversity of cultures in the city. Additionally, some tensions have been reported between African-Americans and new arrivals from Africa. The African-Heritage Festival provides a safe, positive environment for groups to work and play cooperatively and celebrate one another. The African-Heritage Festival is a unifying event and stands proudly in the company of other annual cultural festivals in the city.
