Thank you for checking. Life happened the last few days and was overwhelmed.

If it's not too late here are the comments-

The Phoenix Hill Neighborhood Association is asking that the zoning not change to commercial. We are afraid this will set a precedent in our neighborhood for more zoning changes to commercial and we will lose housing and the neighborhood.

However if the change is inevitable we do ask that the developer takes into account the historic nature of our neighborhood as they design their building.

Thank you again for the follow up!
