SECTION 4 - PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

The Old Louisville Holiday Home Tour (HHT) is an event held once per year to showcase representatives of the historical homes in old Louisville. This event will be the 39th rendition of this fund-raiser for The Old Louisville Neighborhood Council. The HHT happens each year the first weekend in December...this year December 5 and 6, 2015. The HHT is a ticketed event for all of Louisville Metro and the geographic area in the vicinity. The Event uses volunteers for as docents, van drivers, van ambassadors, ticket sellers and will call. This being said, the volunteers receive a ticket for the HHT which allows those who can not afford a ticket the opportunity to participate in the showcasing of the historic homes as well as kicking off the holiday celebrations.

IHC

Tickets cost \$ 20.00 in Advance
AND \$ 25.00 day of event.
IHC

B: Describe specifically how the funding will be spent including identification of funding to sub grantees(s):

The requested funds will be used for printed material (the ticket brochure) and publicizing the event.

(the cost of printing the brochure and for publicity well exceeds the requested funds.)

The cost of the brochure last year was approximately \$ 1800.00. \$ 1500.00 of the requested amt. will be allocated for the Brochure.

The cost of Publicity last year was \$ 1800.00 \$ 500.00 of the requested amount will be allocated to publicity.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

C: If this request is a fundraiser, please detail how the proceeds will be spent:

The profits from the HHT will be spent for seed money for the 2016 HHT, educational programs for the OLNC, beautification projects (flowers, trees, removal of graffiti and more) in Old Louisville. If there is enough profit, other projects will be identified for the greater good of the Old Louisville Neighborhood.

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

- Effective October 24, 2013, reimbursements should not be made unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):
- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
 - ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:

- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

The OLNC has identified the HHT as one of the many ways the neighborhood is identified as a safe, beautiful and desirous area in which to live, work and play. The benefit is that, perhaps, guests of the HHT will decide to move into the neighborhood thereby by helping to preserve the historical homes and the vibrant neighborhood called Old Louisville. The guests of the HHT are provided a history lesson in each of the homes visited. Each home has a unique history which is verbalized by the docents with a script provided by the current home owner. The Van Ambassadors educate the guests, who choose to partake of the provided van service, with a narrative concerning the area of the neighborhood not necessarily showcased by the current HHT. (They also answer questions posed by the guests during the course of the van ride.)

Data is collected by speaking with our guests...(did they enjoy the HHT, was it what they thought it would be, was the price of the ticket worth it, what can we do to make the HHT better, will you return, ...those types of questions. The most obvious tracking procedure is to look at previous years tickets sales and compare to the current HHT.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

Our relationship with Councilman James, The Woman's Club and the schools in the area are our primary partners. CM James volunteers by driving a van and helping with funding...The Woman's Club provides a beautiful, spacious area for ticket sales and will call...the schools provide student volunteers as docents and van volunteers. The student volunteers are ever so important because they are introduced to the historical significance of the area in which they have the opportunity to attend school...(Several of these student volunteers from previous years are now home owners in Old Louisville!)
