RE: Cost of Speed Humps for Sunflower Avenue  
**SR # 3546561**

Two (2) Speed Humps x \$2,150.00 = \$4,300.00

Two (2) Speed Hump signs x \$200.00 = \$400.00

**Total = \$4,700.00**

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$2,150.00 and each sign is \$200.00. Based on our Engineering Studies, a total of six (6) speed humps and two (2) speed hump signs have been proposed for Sunflower Avenue, between S. Crums Lane and Tara Gale Drive. At this time, two (2) speed humps will be installed and the remaining four (4) speed humps will be installed at a later date. The total "not to exceed" cost for two (2) speed humps and two (2) speed hump signs is \$4,700.00.

Upon funding approval, the speed humps will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

Gregory A. Dow  
Traffic Engineering

Greg , the document you left last week calls for 6 Speed humps ,after talking to CW Green she stated that she will do 2 Speed humps & 2 signs . So can I get you to take a look at this and pick the spots and get an updated letter from you to move this forward SR# 3546561 , also this request was made in 2009 so do we have a more recent request because I know that will be a question by the appropriations committee . Thanks C
