RE: Rezoning of 5102 E. Indian Trail

18ZONE1065 C-1 to M-2 Heavy truck parking .42 acres

Dear Planning Commission Member:

I am the manager of the site behind 5102 E. Indian Trail. I have talked to the owner and looked at the Site Plan dated 12/18/18. I have no objections to this site being used to park semi-trucks. The current owner this past year has greatly improved the area. There were a lot of issues with vagrancy and trespassing. The new fencing helps, and we are planning some other improvements between our two sites.

RE: Rezoning of 5102 E. Indian Trail

18ZONE1065 C-1 to M-2 Heavy truck parking .42 acres

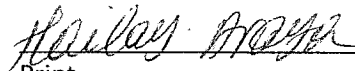

Dear Planning Commission Member:

I live in the vicinity of 5102 E. Indian Trail. I have talked to the owners and looked at the Site Plan dated 12/18/18. I have no objections to this site being used to park semi-trucks behind the new fence.

The site has been improved and better maintained in the past year. A few trucks will not alter the area. The new fencing is an improvement because the area had problems with vagrants and drug dealers.
