Subject:

FW: Crosby Park Center Area Capital Improvement Project

Councilman Miller,

I appreciate your interest in supporting Crosby Park, located on Cedardale Road in Metro Council District 19. Improvements to Crosby Park have been a multi-phased project with East Louisville Sports (ELS) and we hope to embark on Phase IV this spring. Metro Parks is committed to making this park a place for all children in the community to enjoy.

I am requesting Metro Council fund the following capital projects for the Central Area of Crosby Park that will addresses critical safety concerns and improves accessibility:

Central Area grading/leveling	5,000.00
Retaining wall removal	1,800.00
New retaining wall construction/backfill	1,200.00
Re-grade/fill area around concession stand	3,000.00
Drainage tile around concession building	1,200.00
Misc. old gravel removal	1,800.00
Misc. finish grading/landscaping	1,000.00

Total - Central Area

\$15,000.00

Over 800 children participate in ELS programming, but hundreds of other families use Crosby Park and its facilities that are maintained by ELS. For instance, Jefferson County Public Schools use Crosby Park and its baseball fields for Middle School games. A softball team from St. Mary's Center plays games at Crosby Park. St. Mary's Center is a non-denominational agency, serving over 150 adults and teens with intellectual disabilities from the Louisville Metro area. Likewise, economically disadvantaged visitors are also able to enjoy Crosby Park and the amenities maintained by East Louisville Sports.

Thank you for your support of Crosby Park and East Louisville Sports. Together we can provide baseball recreation opportunities to the Louisville community.

Sincerely,

Marty Storch, Assistant Director Louisville Metro Parks
