Liz,
In between the time when I got this estimate from Bob Ray and when I got this money Bob Ray had already signed a new contract with the City. The new price after the new contract was \$1,662. The tree has been removed. Can you appropriate the remaining \$894?

\$1,662 is still a good price to remove this tree. The next lowest price I have from my sidewalk contractors is \$2,500.

Good Afternoon Liz, this tree can be removed for \$768.00. That's a good price.

Good Morning Craig – CM Blackwell is interested in funding, depending on the cost. Could you move forward with getting an estimate for the tree removal?

Thanks!

Liz,

There is a dead tree hanging over Johnstontown Rd at 9618 Inca Dr. The property owner has said he can't afford to cut the tree down. Would this be something Councilman Blackwell would be able to remove? I can get an estimate from Bob Ray if the Councilman would like to consider it.

Thanks,
