

BINDING ELEMENTS

1. The development shall be in accordance with the approved general district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
2. Prior to development (includes clearing and grading) of each site or phase of this project, the applicant, developer, or property owner shall obtain approval of a detailed district development plan in accordance with Chapter 11, Part 6. Each plan shall be in adequate detail and subject to additional binding elements.
3. Construction fencing shall be erected when off-site trees or tree canopy exists within 3' of a common property line. Fencing shall be in place prior to any grading or construction to protect the existing root systems from compaction. The fencing shall enclose the entire area beneath the tree canopy and shall remain in place until all construction is completed. No parking, material storage or construction activities are permitted within the protected area.
4. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit) is requested:
 - a. The development plan must receive full construction approval from Develop Louisville, Louisville Metro Public Works and the Metropolitan Sewer District.
 - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
 - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
 - d. A major subdivision plat creating the lots and roadways as shown on the approved district development plan shall be recorded prior to issuance of any building permits.
 - e. A Tree Preservation Plan in accordance with Chapter 10 of the LDC shall be reviewed and approved prior to obtaining approval for site disturbance.
5. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
6. There shall be no outdoor music (live, piped, radio or amplified) or outdoor entertainment or outdoor PA system audible beyond the property line.
7. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
8. The property owner shall provide a cross over access easement if the property to the west is ever developed for a nonresidential use. A copy of the signed easement agreement shall be provided to Planning Commission staff upon request.
9. No idling of trucks shall take place within 200 feet of residential development. No overnight idling of trucks shall be permitted on-site.
10. Truck transfer or freight terminal uses. A detailed district development plan for a truck transfer or freight terminal use having loading/unloading doors in a building of 400,000 square feet or greater square feet on an individual lot shall require approval of the Planning Commission and the Louisville Metro Council base on the criteria stated in LDC 11.4.7.E.2
11. Residential uses. Subject to the exceptions shown in the second sentence below, (i) a residential use having a density greater than permitted in Residential Single-Family District R-4 and (ii) any multi-family use shall require approval of the Planning Commission and the Louisville Metro Council based on the criteria stated in LDC 11.4.7.E.2. A nursing home, home for the infirm or aged, rehabilitation home, or other healthcare residential facility and/or retirement community shall not require approval of the Louisville Metro Council.
