Neighborhood Vision Statement

Cane Run Road Neighborhood Vision Statement

Cane Run Road Neighborhood will be a diverse and stable neighborhood that offers a mix of housing, transportation, and economic choices. Cane Run Road Neighborhood will have a strong sense of community and will be secure and well-maintained. Cane Run Road will be interconnected, and a neighborhood where people feel safe walking and comfortable riding bicycles.

The neighborhood will value opportunities for local small business development and economic diversity. It will offer educational opportunities and recreational activities that are safe for kids, young adults and seniors and provide amenities to improve the quality of life for all its residents.

Land Use Recommendations

- **LU 1:** Retrofit commercial property (Tradewinds West Shopping Center within the Town Center Form District. Elements could include Crime Prevention through Environmental Design (CPTED) standards into façade treatments; improvements to pedestrian circulation, landscaping and lighting.
- **LU 2:** Redevelop Riverport Landings (4600 block of Cane Run Road) as a mixed-use of housing, commercial and public uses. This would support neighborhood connectivity, affordable housing, and youth activities, education and community services.
- **LU 3:** Support the redevelopment of Richmond Terrace for quality affordable housing with opportunities for homeownership. This improves neighborhood infrastructure, enhances the streetscape and promotes a walkable neighborhood.
- **LU 4:** Support the open space/park development at Shanks Drive, as identified in Richmond Terrace Revitalization Plan.

Land Use Recommendations

- **LU 6:** Promote mixed-use, pedestrian and neighborhood friendly commercial at corner of Cane Run Road and Shanks Lane, as identified in Richmond Terrace Revitalization Plan. This should serve as gateway to the revitalized neighborhood.
- **LU 7:** Work with Police Department to increase police presence in the neighborhood by locating a substation in area, possibly at Lake Dreamland Fire Department Headquarters.
- **LU 10:** Re-establish Cane Run Road neighborhood association.
- **LU 12:** Start a neighborhood crime prevention/community policing group; strengthen communications between residents and police.
- **LU 14/15:** Work with Vacant and Abandoned Property (VAP) Response Team to develop concepts for reuse and revitalization of vacant lots.

Mobility Recommendations

- **M 1:** Establish a network of sidewalks and crosswalks that promote neighborhood connectivity and ensure pedestrian safety especially in school walk zones.
- **M 2:** Consider development a streetscape plan and/or landscaping/beautification plan for Cane Run Road.
- **M 3:** Improve Cane Run Road by improving pedestrian and bicycle infrastructure to include crosswalks at major intersections, a multi-use path and improved lighting to ensure safety.
- **M 5:** Provide comfort amenities at frequently used bus stops.
