Kyle,

Those changes did make a significant change on the price. The inspector was concerned about putting both sides of the alley into compliance with ADA (there is a ramp on one side but that doesn't make it compliant). For now, if funds aren't available, fixing the north side is better than leaving it as it is currently.

I don't have an estimate for 210 Stiliz Ave. Did you request one? If you want one could you please send the request through MetroCall.

Thanks!
