OFFICE OF THE JEFFERSON COUNTY CLERK OVERVIEW

The Office of the Jefferson County Clerk was created by the Kentucky Constitution to be the repository and delivery agent for public documents and information within Jefferson County. As the information services agency for the citizens of Jefferson County, the Clerk's Office has approximately three hundred employees who use over three hundred computers. The Office of the Jefferson County Clerk is vital in performing services that benefit all citizens of the Commonwealth.

The duties of the County Clerk are numerous and varied, falling into the general categories of issuing, registering and titling motor vehicles, recording and keeping records of various legal instruments, voter registration and purgation, election duties, and tax duties.

The Office of the Jefferson County Clerk receives fees for performing various duties as set by state law. Twenty-five percent (25%) of most fees are turned over to Metro Government and the remaining seventy-five (75%) of the fees are used to operate the office.

The Motor Vehicle Division of the office of the Jefferson County Clerk is involved with all aspects, rules and regulations of the Kentucky Motor Vehicle Licensing laws. As stated in KRS 134.800, the County Clerk collects all ad valorem taxes due upon registration of a vehicle. In addition, KRS 138.460(2) states the County Clerk will collect all usage tax due on a vehicle when it is registered for the first time in Kentucky. The County Clerk is the collection agent for the state.

The County Clerk issues a registration and plate to all motor vehicle owners per KRS 186.040. The motor vehicle owners must reside in the county in which they are registering their vehicle according to KRS 186.020 (1). Jefferson County has over 770,000 residents, the Jefferson County Clerk registered or renewed approximately 735,000 vehicles in 2019 and estimates indicate approximately the same for 2020. The Clerk's Office also replaces decals, plates and registrations in accordance with KRS 186.021.

The Office of the Jefferson County Clerk works closely with over 300 auto dealerships in Jefferson County and approximately 3,300 dealerships throughout the State of Kentucky and across state lines. The Office licenses all new vehicles and transfers used vehicles for the dealers. The Office of the Jefferson County Clerk also issues dealer tags to all dealers in accordance with KRS 186.070. KRS 138.465 involves the transfer of vehicles between individuals.

The Office of the Jefferson County Clerk processed the necessary paperwork to transfer approximately 400,000 cars in 2019 and estimates indicate approximately the same for 2020.

Another duty of the County Clerk is to issue Disabled Persons Parking Permits in accordance with KRS 189.456, which deals with Permanent Permits and KRS 189.458, which deals with Temporary Permits. Effective in 2019, the Permanent Permits are valid for six years, while the Temporary Permits are valid for three months. Approximately 70,000 permanent and

temporary permits were issued in 2019 and estimates indicate approximately 75,000 in 2020. The clerk's office issues one free to requestors who qualify and collects \$10 for each additional permit.

In 2019, approximately 71,000 liens were filed on titled collateral (KRS 186). This number is estimated to have a small increase for 2020.

The Legal Records Division of the Office of the Jefferson County Clerk is the official repository of Jefferson County as defined in KRS 382. It is responsible for the legal documents, which are recorded and filed as public record. Documents are maintained from 1783 to the present. There are four services within the Legal Records Division. They are Recording, Indexing, Deed Room Customer Service and Duplication Services.

In 2019, approximately 210,000 legal documents, such as deeds, mortgages, assignments, powers of attorney, incorporations, etc. were lodged for recording and indexing. For 2020, this number is estimated to increase approximately 10% over 2019 estimated actual.

The Duplication Services area makes copies of all recorded documents to be inserted into the books that are displayed in the Deed Room area for public viewing. Additionally, this department makes copies of various materials for all other departments in the Clerk's Office and makes repairs and new covers for existing books. In 2019, approximately one million copies were produced. For 2020 this number is expected to increase by approximately 10%.

The County Clerk is also required to coordinate property assessment appeals with the Property Valuation Administrator's Office per KRS 133. The Clerk is responsible for scheduling tax appeal hearings with the boards and notifying the taxpayer of the results by certified mail. Necessary reports are generated. 748 tax appeal hearings were held in 2019. The number of tax appeal hearings is expected to increase to approximately 1,200 for 2020.

The Election Center provides for the administration of all Kentucky laws relative to voter registration and elections in Jefferson County. The departmental duties and responsibilities are mandated by state law and include: oversight of all registration activities, maintaining all records of voter registration, selection and training of election officers, acquisition and inspection of polling sites, accepting candidates' filing papers, preparation of ballots, advertisement of elections, handling all elections including federal, state, local and local option elections, maintenance and delivery of voting machines and paraphernalia, and comprehensive mapping of all precincts and political subdivisions.

As the primary information-gathering agency of Jefferson County, the County Clerk's Office continues to employ the latest proven technologies and processes to provide the most efficient delivery of services to the citizens of the county. The Information Technology Division of the Office of the Jefferson County Clerk is responsible for the overall strategic direction and contribution of the information systems function. Information Technology provides services to all employees and operating areas of the Clerk's Office, whether in a branch office, Legal Records, Motor Vehicles, Human Resources, Administration, Finance, Facilities, Community Relations, Public Relations or the Board of Elections. The Information Technology Division of

the Office of the Jefferson County Clerk is comprised of three departments: Information Technology Administration, Application and Operations Support and Network and iSeries Support.

Information Technology Administration provides management oversight of the Information Technology Division and its personnel, assets and activities. Strategic planning, process engineering, technology purchasing, and project management are all part of Information Technology Administration's responsibilities.

The Application and Operations Support Department provides ongoing support to in-house and remote users. Through a Help Desk facility and a staff of trained technicians, Application and Operations Support assists end-users with the resolution of computer problems to ensure the continuous delivery of services to County Clerk's Office customers. Calls are tracked and analyzed to ensure timely and accurate problem resolution. In addition, the Application and Operations Support Department coordinates resources, schedules and communications for the implementation of computer application projects.

The Network and iSeries Support Department maintains the network environment, data communications and telephone network infrastructures of the Clerk's Office. Network and iSeries Support is also responsible for the integrity of database information, internal system security and disaster recovery. Additionally, this department oversees research, evaluation and integration of new technologies for the Office of the Jefferson County Clerk.

In calendar year 2020, the Information Technology Division will undertake a variety of capital projects. The primary focus of those projects will be software migration of almost three hundred (300) desktop computers to the Microsoft Windows 10 operating system, and the implementation of the electronic recording of land record documents. Other projects will focus on creating an inventory of spare networking devices in order to ensure continuity of operations and deploying electronic poll books in Jefferson County polling locations. The migration to "Cloud" computing will continue to be a priority for 2020.

The Information Technology Division will continue to assist the Kentucky Transportation Cabinet to complete and deploy its new motor vehicle titling and registration application: the Kentucky Automated Vehicle Information System (KAVIS). A large portion of the Information Technology Division's technical efforts in 2020 will be to prepare for and help implement, the KAVIS car, truck, and motorcycle modules.

The Finance Division is responsible for recording and tracking all income and expenses for the Jefferson County Clerk's Office. Three departments make up the Finance Division: Finance Administration, Facilities Planning & Logistics and Professional Licenses/Delinquent Tax. Finance Administration management provides oversight for the division. In addition, it prepares the annual budgets, tracks expenditures and prepares substantial financial analysis to allow the Executive Administration to make informed decisions. Finance Administration also certifies all property tax billings for Jefferson County, administers all health insurance benefits including open enrollment, payroll deductions and billing reconcilement. The Payroll Administrator tracks all time and attendance, calculates payroll, submits it to Frankfort for processing and then the

funds are direct deposited to the employee's bank accounts. The Accounts Payable Administrator reviews all invoices for validity, prepares the invoices for payment and ensures that payments are made on a timely basis. Finance staff also prepares the monthly financial statements. The Banking Administrator tracks all receipts and disbursements of funds and reconciles the monthly bank statements.

Finance staff is also responsible for calculating and reporting all collected fees to the appropriate agencies. The fees are recorded daily and reported monthly. They are also responsible for any request of refunds related to the collection of these fees. They are responsible for closing the month and issuing all reports.

The Professional License/Delinquent Tax Department processes marriage licenses per KRS 402, notaries, professional licenses (special police, going-out-of-business, etc.) per KRS 312-321 and the delinquent real estate taxes per KRS 134. Approximately 5,000 marriage licenses were issued in 2019. This number is expected to increase slightly for 2020. Approximately 9,000 delinquent real estate taxes were processed in 2019; accounting for approximately \$14,000,000 in taxes collected. For 2020, these numbers are estimated remain the same.

The Facilities Department is responsible for the inventory of license plates and office supplies. They ensure that all canceled plates are accounted for in the KAVIS System and then destroyed. They oversee the delivery of mail and supplies to all internal departments and outlying branches. Additionally, they are responsible for coordinating any relocation or renovation of departments or branches, as well as ongoing repair and maintenance for all areas.

The Government and Legal Affairs Executive is responsible for the inter-governmental relations; legal research, legislative analysis and special projects such as grant applications.

The Media and Public Relations Division is responsible for planning and organizing news conferences, media interviews, special events, public service announcements, multi-media purchases and writing and issuing press releases. The Division manages public relations and communication programs for employees of the Clerk's Office and the citizens of Jefferson County. Printed materials produced by the division such as brochures, posters, flyers and signs in branch locations are other vehicles of communication used to reach this goal. The staff creates materials and uses them to educate the community on exercising its civic duty in becoming responsible informed voters. The Media and Public Relations Director serves as the spokesperson for the Jefferson County Clerk's Office and the Board of Elections. The director also coordinates speaking engagements for the County Clerk with various groups and organizations. Examples of specific job responsibilities include the branding of all public viewed materials to include brochures, advertising, website and the annual report. The director overseas the planning of the all employee meetings, quarterly meetings, updates to the web site and some customer correspondence.

The Human Resources Division is responsible for recruiting and hiring for all positions and provides advice and counsel on personnel policies, management practices, employee relations, compensation and benefits, employee records and workplace safety. The HR staff works with management and employees to ensure we comply with all employment laws and regulations.

The staff also assists with planning for the office and works to provide a positive and productive work environment for all JCCO employees. Additionally, the Human Resource Division is responsible for implementing and facilitating various in-house training and development programs.

Last year's budget (see attached approval of Resolution No 173, Series 2018) indicated Personnel of \$15,478,800; Operating of \$4,071,000 and Capital initiatives of \$252,000. The 2020 projected budget is estimated at \$22,967,600 which is an increase of \$3,165,800 or 15.99%. The difference is due to an increase of \$2,281,900 or 14.74% in personnel. Funds are budgeted for 2020 to cover the salary increases, the increase in the retirement contribution from 22% to 28% and an increase in insurance premiums, an increase in continuation operating expenses of \$278,100 or 6.83%; an increase of \$605,800 (240.4%) in new capital initiatives due to 2019 was a new term year where all old term surplus is turned over to Metro Government. 2019 has some estimated surplus to cover the capital initiatives, the balance of the capital request will be covered by 2020 revenue. Based on the Legal Records fee increase, the current economic trends and 2019 estimated actual, we have increased the clerk's fee budget continuing revenue projection over 2019 for estimated revenue by 31.61%. This excludes an increase to the Metro reimbursement expense of \$461,700 (12.19%). The continuing revenue increase to the budget is due to a variety of factors the most significant one being the Legal Records fee increase due to Senate Bill 114. We anticipate being able to continue to sell delinquent tax bills to third party vendors in 2020.

Last year, our total staff was 322. To meet our 2020 strategic goals, we are requesting to maintain a staff of 322. Personnel cost has increased from \$15,478,800 to \$17,760,700. We are anticipating awarding a COLA for 2019 and upgrading the entry level salaries to ensure adequate staffing to service the citizens of Jefferson County. The vacancy credit is set at 8.0% in an effort to maintain staff positions. The employer retirement contribution increased from 22% to 28% starting in July 2020 and a 3% COLA is budgeted for 2020 and any merit and hourly increases for 2020 will only be awarded if revenue allows. Capital has increased from \$252,000 to 857,800. The 2020 budget includes new capital initiatives funds to improve technology and to cover any emergency replacements. Our overall continuing operating component has been increased from \$4,071,000 to 4,349,100 to cover increases in office supplies and services. In 2020, Administration's emphasis will primarily focus on implementing improvements and continuing to provide the highest quality of services to our customers. I hope that the 2020 budget will be approved and passed "as is", taking into consideration all of the above.

OFFICE OF THE JEFFERSON COUNTY CLERK STATEMENT OF ACCUMULATED SURPLUS 2019 BUDGET - 2019 EXPECTED - 2020 BUDGET 75% ACCOUNT

OFFICE OF THE JEFFERSON COUNTY CLERK

NOTES TO THE 2020 BUDGET

REVENUES

| Actual Revenues | 2018 | \$17,512,028 |
|---------------------------|------|--------------|
| Budgeted Revenues | 2019 | \$19,801,800 |
| Estimated Revenues | 2019 | \$18,174,700 |
| Budgeted Revenues | 2020 | \$23,799,700 |

Estimated revenues for 2019 were determined by using actual data for the nine months ending September 2019 and analyzing actual revenue data for the past five years. Overall economic factors out of our control affect the Clerk's office fees. We believe our approach to be the most reasonable.

Continuing Clerk Fee Revenues for 2020 are budgeted to increase by \$3,536,200 (22.08%) over the 2019 budget; an increase for Metro election expense reimbursement of \$461,700 over the 2019 budgeted reimbursement. There will be two elections in 2020. With nine months of actual data to analyze in the motor vehicle fee categories, we are estimating annual fees for 2020 budgeted revenue to decrease 6.0% compared to the 2019 budget and remain flat compared to the 2019 estimated actual. For legal record fees, we have estimated the budgeted revenue to increase 62.01% compared to the 2019 budget and to increase 86.21% over the estimated actual for 2019. This is due to the fee increases by the passing of Senate Bill 114. Refer to KRS 64.012 for detailed line item increases. In 2020, we have estimated delinquent tax revenue to remain flat compared to the 2019 budget.

As of September 30, 2019, Motor Vehicle statutory fees are 6.1% less than the 2019 budget and 1.7% more than 2018 actual revenue for the same period. Motor Vehicle non-statutory fees are 12.2% less than the 2019 budget and 1.2% more than the September 30, 2018 actual revenue. Usage tax is 1.9% less than the 2019 budget and 3.8% more than the September 30, 2018 actual revenue. Mo-tax is 3.2% more than the 2019 budget and 7.2% more than the September 30, 2018 actual revenue. Legal Record's revenue is 13.2% less than the 2019 budget and 1.28% more than September 30, 2018 actual revenue. Delinquent Tax revenue is 16.4% more than the 2019 budget and 10.6% more than September 30, 2018 actual revenue.

Based on the September 30, 2019 (factoring out Metro reimbursable expense) overall revenue being under budget by 7.3 % and 2% more than 2018 actual revenue and taking into consideration the increase for Legal Records, current general economic condition and the expectation of the overall housing starts and vehicle sales, we have adjusted our line item projected revenue for 2020.

PERSONNEL COSTS

Personnel cost for 2020 is budgeted at \$17,760,700, an increase of \$2,281,900 from the budgeted personnel cost for 2019. The salary line item budget has increased due to projected 3% COLA raises for 2020, and an increase to hourly salaries and any merit increases. The overall increase is also due to the change in employer retirement contribution from a budgeted 22% to a 28.0% effective July 1, 2020. The benefit cost calculations of 28% of gross salary was used for employer retirement contribution to cover the change in the rate at July 1, 2020. The retirement rate is adjusted on a fiscal year instead of on a calendar year. The calculation for employer contribution for FICA is gross salary times 7.65%. The budget for worker's compensation premiums will remain flat due to our good experience rate. Overtime has been increased due two election cycle in 2020, the new minimum salary law changes to \$35,568 making more staff members eligible for overtime and to cover employees working fairs and festivals. The vacancy credit is not applied to salaries for purposes of calculating the annual premium for worker's compensation to ensure adequate funds to cover the annual audit. The Clerk's Office contribution for insurance is budgeted to increase 13.48% compared to the 2019 budget and increase 23.90% as compared to the 2019 estimated actual. In evaluating our revenue available to meet our operating cost for 2020 and analyzing our current vacancy trend, we determined that we still require the 322 slots. With our overall calculation for the personnel budget, we have set our vacancy credit at 8.0%, which will enable us to maintain our monthly staff at a level needed to ensure that we continue providing excellent customer service.

A COLA salary adjustment of 4% for managers and front-line staff and 2% COLA adjustment for division managers and above is included in the personnel cost. These percentages will be used for an across-the-board cost-of-living increase in December 2019 retroactive to January 1, 2019 or their hire date. Any performance awards for merit will only be distributed if discretionary funds are available. The overtime budget has been increased compared to our 2019 estimated actual to ensure adequate funding in the general duties of the clerk's office. Overtime is still used at times when the branches are short staffed and are required to stay over to complete the day's work. Overtime is necessary for employees to work at fairs, festivals and to attend mandatory employee training seminars/meetings scheduled after hours.

We request a staff of 322 in the 2020 personnel budget to maintain a high level of efficiency. One of our 2020 strategic initiatives are to continue to provide excellent customer service to the citizens of Jefferson County. In order to achieve our goals, we need to maintain our staff level at 322.

We hope that Metro Government will look favorably on our request and approve the personnel budget as presented.

New Initiative

We have included an increase in entry level salaries on each of the job levels. The A1 entry level salaries was increased from \$30,000 to \$36,000 with a spread of 15% to the other levels; the G1 entry level salaries was increased from \$23,000 to \$25,500 with a 15% spread to the other levels; the I1 entry level salaries was increased from \$24,700 to \$27,700 with a 12% spread to the other levels. The net effect of payroll and related expenses to these increases after the 8% vacancy credit was applied is \$679,470.

OPERATING EXPENSES

The 2020 continuing operating expenses are expected to increase 1,015,700 (30.47%) from the 2019 estimated actual operating expenses:

2020 Budgeted Operating Expenses vs. 2019 Estimated Actual Operating Expenses

| \$4,349,100 | \$3,333,400 |
|--|---|
| -0- | - 0- |
| \$ 4,349,100 | \$3,333,400 |
| Marie and the control of the control | POLICE POLICE AND ADDRESS OF THE POLICE AND |

Maintenance and repairs are budgeted to increase 3.60% over 2019 budget and Professional Service Contracts to increase 37.81% over the 2019 budget. These expenses are to cover new and existing maintenance and professional service contracts, any shortfall in the Metro apportionment budget, and unexpected repairs on aging equipment. The cash management system expenses are estimated to increase 15.05% compared to the 2019 budget and increase 25.41% over the 2019 estimated actual. Currently we own the Cash Link Systems, however they are over five (5) years old and may need to be repaired in 2020; janitorial services will increase 62.39% compared to the 2019 estimated actual due to rising cost to have the branch floors stripped and waxed, the carpet, seating and windows cleaned quarterly. Rental equipment budget has been increased 35.83% as compared to the 2019 budget due to renting a DS 450 election tabulator instead of purchasing one. Telephone expenses are expected to remain flat over the 2019 budget. Postage and delivery expenses are 19.29% more than the estimated 2019 actual and 15.60% less than the 2019 budget. This is due to regular stock up at year end, any increase in postal rates, and an increase in required election mail for the 2020 Presidential Election. Office Expenses are 18.14% more than the estimated 2019 actual and 5.14% more than the 2019 budgets. Office expense includes some funds to continue the employee uniform program that was approved by the Kentucky State Auditor's Office in the last quarter of 2006. It also includes up to \$2,500 to cover the annual All Employee Meeting and purchase any prizes and take away items related to the meeting. The 2020 budget includes supplies related to year end stock up orders. The printing budget has been increased 7.46% compared to the 2019 estimated actual and increased 3.81% compared to the 2019 budget. The current budget includes funds to replenish printed materials. Printing of ballots will be required in 2020 for two scheduled elections. Printing of brochures and document holders continues to require a substantial portion of

the printing budget. Advertising has increased 88.73% compared to the 2019 estimated actual and increase 1.01% compared to the 2019 budget. There are two scheduled elections to advertise in 2020 Presidential Election. The remaining budget is to cover advertising for the general services of the clerk's office such as mail-in, telephone, and internet renewals. Capital has been increased 240.4% over the 2019 budget and 892.83% over the estimated 2019 actual because of technology improvements and to cover any emergency replacements. The category of meetings, tuition and seminar expenses has been increased 91.16% compared to the 2019 budget and 402.82% over the 2019 estimated actual due to in-house employee training and development seminars. We also have tuition reimbursement. Mileage is estimated to increase 49.45% compared to the 2019 estimated actual and decrease 1.54% compared to the 2019 budget. The cost of gas has decreased, but KAVIS2 re-implementation will still require staff to travel to Frankfort several times each week for KAVIS implementation participation. Insurance and Bonds is estimated to decrease 14.16% compared to the 2019 estimated actual and increase 25% compared to the 2019 budget. This expense is to cover our general liability, employment practice and property insurance premiums in 2020. Subscriptions have increased 445.69% over the 2019 estimated actual and decreased 56.57% compared to the 2019 budget. Membership dues remain flat.

Professional Services Contracts

Contracts with several firms, currently doing business with this office, will be continued and new vendors are being selected. While some of these arrangements provide for set fees, others are based on an hourly rate. It is impossible to predict exactly how much will be required for each provider or by category. It is also impossible to name all future vendors, as our requirements may change from time to time based on needs of the office.

The following is a partial list of anticipated providers of outside professional services:

- Jefferson County Sheriff provides data processing services for property tax bills.
- Zielke Law Firm provides general legal counsel with expertise in contracts, employment law and litigation and provides guidance in Human Resources as needed
- Data Strategy provides expertise for systems security issues.
- IBM provides expertise, development and training for various data processing projects.
- Twinstar provides expertise, development and training for various data processing projects.
- Flexential provides ISP services and leased lines for Ethernet connectivity.
- Xerox provides support for imaging and financial software applications.
- Twinstar—provides computer hardware, computer software and integration services according to the State of Kentucky pricing contract.
- Unitime/Access/ABRA/SAGE provides support for Human Resource, timekeeping and insurance open enrollment systems.
- Kronos provides support for Human Resource and timekeeping systems.
- Data Design provides programming for delinquent taxes.
- A CPA firm may be selected to provide accounting and financial counsel.

- Jefferson County Board of Election Members attend monthly board meetings.
- Kwantek online job applications.
- Genus Technology Webview Legal Records Search support.
- Bold Chat Online chat for concurrent operators.
- AT&T Communications

CAPITAL EXPENDITURES

The Jefferson County Clerk's Office expects revenue to be on target for the remaining months of 2019 and we are projecting an increase in Legal Record fee revenue in 2020. Our prudent spending has provided us with the opportunity to fund a few new capital initiatives, emergency funds and the other required expenses which are necessary to ensure that our office is able to provide the continued VIP service which the citizens of Metro Jefferson County are entitled to and have come to expect from our administration. The capital budget has been increased over the 2019 estimated actual and 2019 budget due to technology improvements, remodeling projects and vehicle replacement.

Capital expenditures for 2020 are budgeted as follows:

| Office Equipment | \$ 99,700 |
|----------------------------|------------|
| Computer Equipment | 284,100 |
| Computer Software | 179,300 |
| Furniture and Fixtures | 49,700 |
| Remodeling and Renovation | 205,000 |
| Vehicle | 40,000 |
| Total Capital Expenditures | \$ 857,800 |
| | |

Office Equipment – Total \$99,700

The amount budgeted for office equipment is necessary to obtain various items, such as Venda Card units, Electric Book & Page machines, scanners, telephone equipment, headsets, check signer, refrigerators, microwaves, and any unexpected replacements. Additionally, we have included the following initiatives:

- 1. Emergency replacement of miscellaneous office equipment throughout the office -\$30,000.
- 2. Voting Booths \$29,300. With the increasing number of registered voters in certain polling locations, more booths will need to be added.
- 3. Gray Bins & Ballot Calls \$17,000. All gray bins need to be replaced due to wear and tear. We need more ballot call equipment to alert the staff when voters need assistance.
- 4. Miscellaneous Office Equipment \$13,400. Staplers (21), Calculators (10), and a vacuum cleaner need to be replaced in Legal Records. Replacement of

- headsets (6) in Motor Vehicle Processing. Community Banners and a portable camera are needed in Media Relations.
- 5. Additional Charging Stations for Epoll Books \$10,000. The Secretary of State has purchased Epoll Books to replace the current paper rosters. The Election Center may be required to use 1,200 Epoll books in the 2020 Primary and General Elections. These charging stations are needed to charge, store, secure, transport and protect the units.

Computer Equipment and Software – Total \$463,400

The Office of the Jefferson County Clerk is the custodian for the county's public records. Documents and electronic data are stored on the computer systems maintained by the Clerk's Office. Computer technology has replaced many manual processes with more efficient processes. There are over 300 computers, terminals and fax machines in the Clerk's Office.

The Clerk's Office has many different functions and must have the appropriate software for each. The software must be kept current as the manufacturers update their products. Manufacturers refuse to support outdated versions of their product, which could have catastrophic results.

The 2020 budget includes funds to maintain the integrity of current systems and address any required replacements.

- 1. DS200 Machines \$180,000. With the growing number of registered voters, it has become necessary to purchase additional machines.
- 2. Migration to Windows 10 Operating System \$100,000. As of January 2020, Microsoft will no longer be providing updates and manufacturer technical support for our current Windows 7 operating system. We will need to migrate over 300 computers to the new system. We need to purchase 100 computer memory expansion chips. As well as replace 60 current computer workstations that cannot be upgraded.
- 3. Purchase Computer Hardware & Software \$47,900. Replace aging equipment & software in various divisions around the office. Purchase (5) color printers, (1) printer/scanner, (24) wireless keyboard and mouse sets, (15) wireless headsets and VOIP phones, (2) large wall mount monitors, (1) laptop, and (1) LCD projector in Motor Vehicles. Replace (3) 2-tray printers and (1) PC workstation in the Finance Division. Replacement of (2) laptops in the Administration Division. In the Media & Public Relations Department, replacement of (1) computer, various software around the department, and (1) laptop is needed to enhance productivity and technical ability of the Webmaster. Replacing these obsolete machines will ensure continuity of operations and a high level of continuous customer service.
- 4. Emergency Replacement Equipment \$30,000. Computer equipment needed for operational productivity. To maintain productivity and upgrades for any emergencies that may be required throughout the year.

- 5. Emergency Replacement Software \$30,000. Computer software needed for operational productivity. To maintain productivity and upgrades for any emergencies that may be required throughout the year.
- 6. Voter Registration Card Scanning Application \$25,000. Replacement of the current AS/400 based scanning application due to the end of support for its content manager. Will be replacing with a new cloud-based or server-based application.
- 7. Memory Devices for DS200 \$21,000. Extra memory devices are needed for the additional DS200 machines. These need to be purchased for the two scheduled 2020 elections.
- 8. Purchase Spare Parts and Equipment \$14,000. Replenish our supply of spare parts and computer devices to maintain an adequate level of inventory to maintain uninterrupted productivity if equipment should fail. A ready spare parts and equipment inventory is critical to maintaining uninterrupted productivity and a high level of customer service. The following items will be added to inventory Dell N2024 Layer-3 Network Switch (1); VOIP telephones (7); VOIP telephones with expansion modules (3); Mitel VOIP switch (1).
- 9. Microfiche Scanning Project \$10,500. Additional computers and scanning for the scanning of land record documents from Microfiche.
- 10. Electronic Recording \$5,000. Beginning in 2020 the office will be allowed to record land records electronically. There may be unanticipated expenses associated with the implementation process.

Furniture & Fixtures - \$49,700

Budgeted funds are for miscellaneous replacement of furniture and fixtures for various departments. Items to include are, license plate and file cabinets, fabric panels and keyboard trays.

- 1. Emergency Replacement Office Furniture and Cabinets \$30,000. Office furniture and cabinet replacements needed for operational productivity. To maintain productivity and upgrades for any emergencies that may be required throughout the year.
- 2. Chair Replacement \$15,200. Replacement 46 employee chairs throughout our Motor Vehicle branches due to wear and tear.
- 3. Cabinets \$4,500. The Election Center needs additional cabinets for the storage of ballots during the absentee period. A cabinet is also needed for storage in the Media & Public Relations department.

Remodeling – \$205,000

1. Renovation of the Professional License Branch - \$100,000. Update the employee workstations and add customer seating. Expand the current location into the

- public affairs office area once they are moved into their new location a part of the Fiscal Court Building move.
- 2. Parking lot improvement –\$75,000. Includes funds to improve the parking lot for the Election Center move from the Edison Center to the new location.
- 3. Emergency Remodeling \$30,000. Funds for unplanned renovations in areas throughout the JCCO to maintain productivity and upgrades for any emergencies that may be required throughout the year.

Vehicle Replacement - \$40,000

1. Van - \$40,000. The 2015 Ford E250 that is currently used by the Facilities Management Division has over 91,000 miles. It is used to transport supplies and deliver mail daily to branches & divisions across the Clerk's Office. It will be replaced with a new vehicle and the 2015 Ford E250 will be passed down to the Election Warehouse. The Election Warehouse's 2011 Ford Econoline van that was purchased in 2010 will be traded in towards the new van.

LOUISVILLE METRO COUNCIL
ADOPTED

R-208-18 - Clerk 2019 Budget Resolution.docx

Schedule A

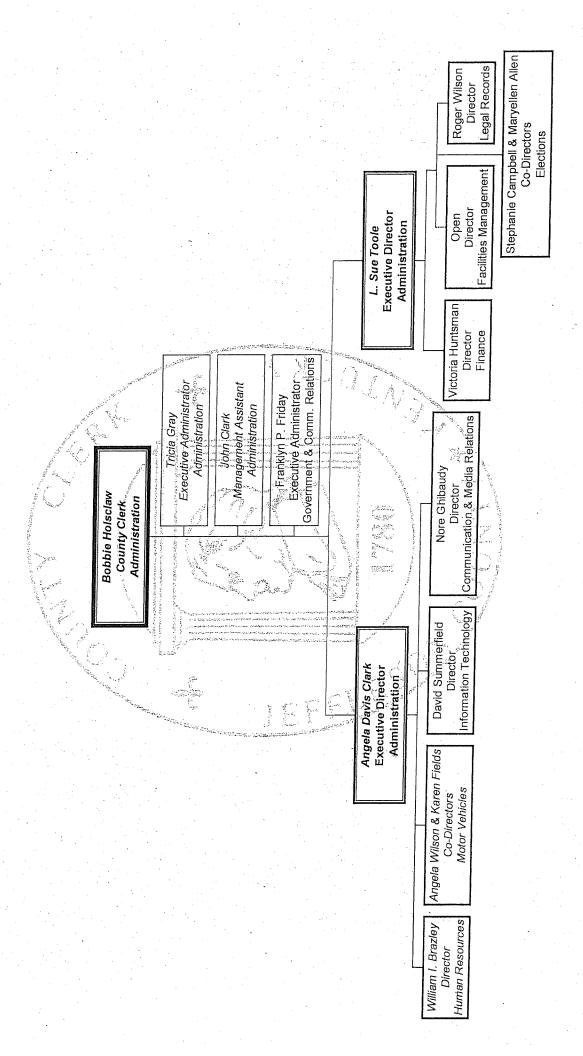

Fiscal Year 2019 Budget

That there is authorized the following expenditures for the operation of the Jefferson County Clerk's Office during the calendar year 2019. The total sum of \$19,801,800 shall be allocated as follows:

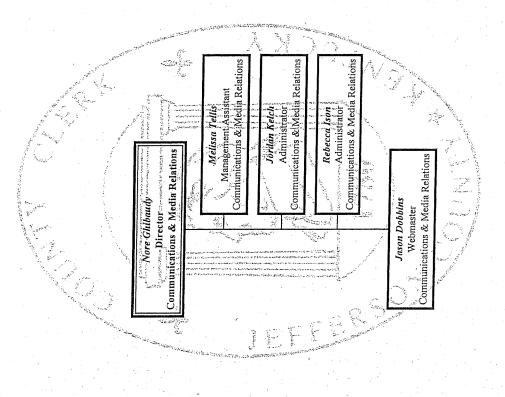

| Personnel | \$15,478,800 |
|-----------|--------------|
| Operating | \$ 4,071,000 |
| Capital | \$ 252,000 |
| TOTAL | \$19,801,800 |

There is further authorized a personnel complement of 322 employees. The total estimated funds available for appropriation are \$21,710,474, comprised of \$19,801,800 in revenues and \$1,908,674 of cumulative surplus. Therefore, the anticipated 2018 year-end cumulative term surplus will total \$1,908,674.
