Good afternoon,

After consulting with OMB Grants Compliance, I was informed the Metro Government check can only be payable to All Peoples Inc. because **Thomas Jefferson Unitarian Church** is inactive within the Kentucky Secretary of State system.

According to the Kentucky Secretary of State, All Peoples, Inc. has three assumed names in the only one that is active is the All Peoples, and All Peoples have two assumed names All Peoples Inc. that is active and **Thomas Jefferson Unitarian Church** that is inactive. Also, All Peoples, Inc. is the only entity that has a current annual report date.

The NDF Originated Form page 1 needs to be revised to reflect **All Peoples Inc.** in the Entity Hosting Event section of the form. Thank you.

Hi Latonya,

I asked for Kyle's assistance on this one-time appropriations request since it has been in the works for so long and I didn't know how to handle it. I will soon have a Legislative Assistant in my office, and she will be trained (hopefully by Kyle and you, regarding finance items!) to process all documents, including appropriations, ordinances, resolutions, etc.

Thank you all for being patient with me as I worked through these last several months since Logan left. It has been quite the task for me to juggle all that I am responsible for, including constituent services. I hope this is the last time I will need to reach out to you about this issue or others like it in the future. Nonetheless, I appreciate all the assistance you can and have provided to me.

If I can do anything to expedite or complete this particular appropriations issue, please let me know what that is and I will get right on it (with your guidance, of course).

Blessings to you,

*Paula McCraney*

**Importance:** High

Good afternoon, LaTonya and Roxanne.

CW McCraney asked for my assistance with an NDF request for Thomas Jefferson Unitarian Church dba All Peoples Congregation. They went through a name change last year, but the SoS website hasn't been updated yet.

I believe there might have been some confusion regarding the compliance of this organization.

LaTonya, could you please send me the information you sent the Councilwoman, or let me know if that's been cleared up?

Roxanne, could you please send me the non-compliance report again? In my new role with the Council I no longer have access to them.

Thanks so much,  
Kyle
