Dear Neighbors,

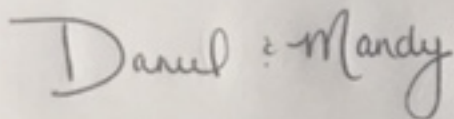

Our names are Daniel and Mandy Montgomery and we live at 1027 E. Breckinridge Street. We have four children and love living in this neighborhood.

Several years ago we purchased the house and extra lot next door to us in order to have a short-term rental and utilize the yard for our own family.

We have been renting our extra home through Airbnb for the past several months and have completely enjoyed the experience. Getting to know families and business travelers from out of town, as well as, provide a personal and welcoming environment for them to experience our city, has been wonderful.

If you would like to hear more about what we are doing or have any questions or concern, please come to our neighborhood open house at 1025 E Breckinridge Street, 40204 on Wednesday, October 12, 2016 from 7-8 pm. Dessert will be served.

Hopefully looking forward to seeing you.
