NDF, CIF, MAP OR PAV INTERAGENCY CHECKLIST

Interagency Name: Public Works / Traffic Engineering	
Program/Project Name:	Hale Ave Speed Humps/Signs
	Yes/No/NA
Request Form: Is the Request Signed by all Council Member(s) Appropriating Funding?	Yes
Request Form: If matching funds are to be used, are they disclosed with account numbers in the request form description?	NA
Request Form: If matching funds are to be used, does the amount of the request exclude the matching fund amount?	NA
Request Form: If other funds are to be used for this project, are they disclosed with account numbers in the request form description?	Yes
Funding Source: If CIF is being requested, does Metro Louisville own/will own the real estate, building or equipment? If not, the funding source is probably NDF.	Yes
Funding Source: If CIF is being requested, does the project have a useful life of more than one year? If not, the funding source is probably NDF.	Yes
Ordinance Required: Is the NDF request to a Metro Agency greater than \$5,000? If so, an ordinance is required.	NA
Ordinance Required: Is the request a transfer from NDF to cost center? If so, is the amount given for the fiscal year \$25,000 or less?	NA
Supporting Documentation: Does the attachment include a valid estimate and description of cost?	Yes

RE: Cost of Speed Humps for Hale Avenue, between Louis Coleman Jr. Drive and S. 36th Street.

Two (2) Speed Humps x \$2,850.00 =	\$5,700.00
Two (2) Speed Hump signs x \$260.00 =	\$520.00
Total =	\$6,220.00

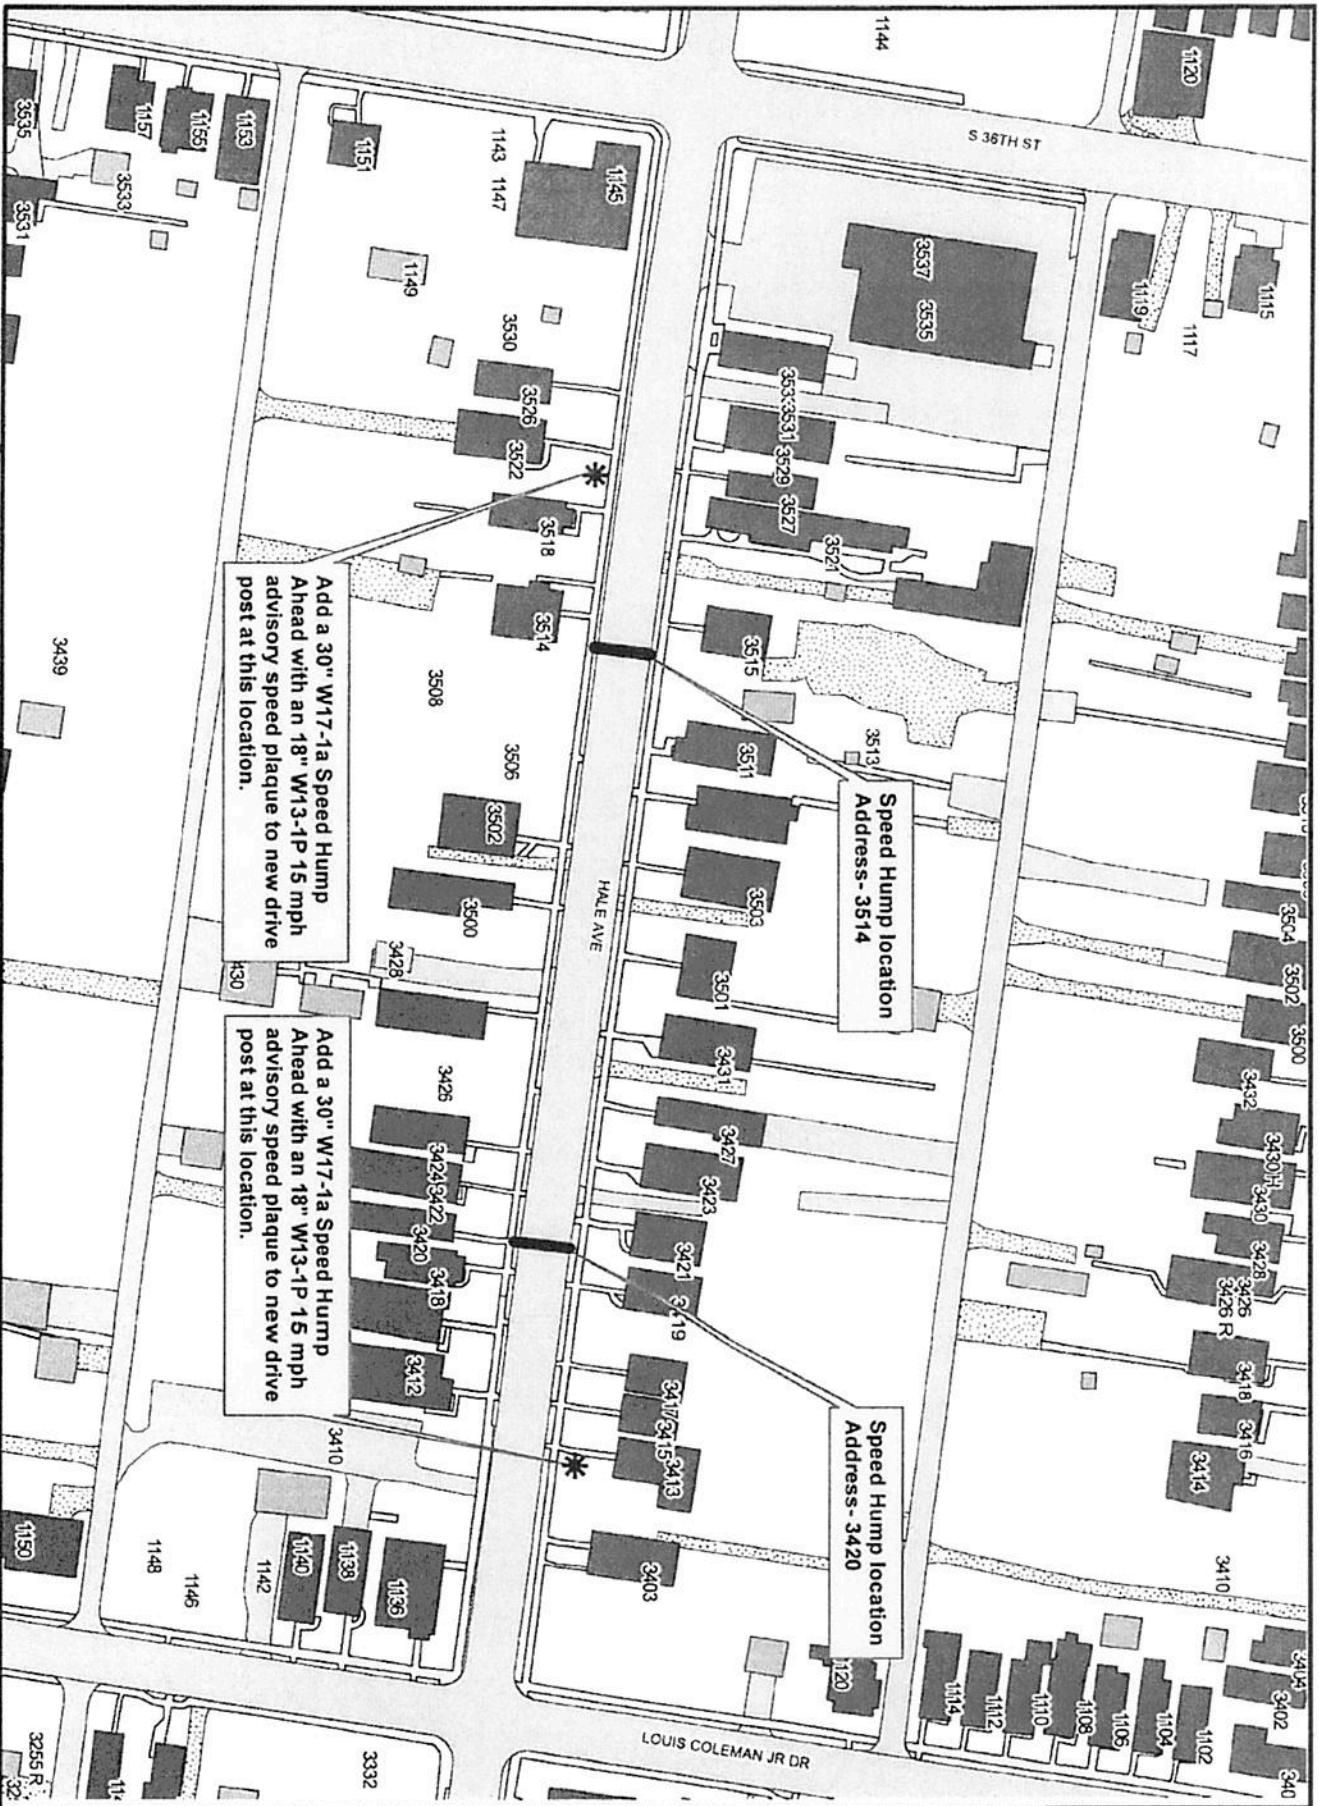

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$2,850.00 and each sign is \$260.00. Based on our Engineering Studies, a total of two (2) speed humps and two (2) speed hump signs have been proposed for Hale Avenue, between Louis Coleman Jr. Drive and S. 36th Street. The total "not to exceed" cost is \$6,220.00.

Upon funding approval, the speed humps will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

Gregory A. Dow
Traffic Engineering

Subject: RE: Statement of Cost for Hale Avenue speed humps

LaTonya,

Base on your numbers and email below, you have put D1 on notice to submit a CIF request for \$1,180.00 to cover the remaining cost for Hale Avenue's speed humps/signage.

I have not requested a PO# for Winnrose Way speed humps, but I was given account# 8138-410-8107-149101-822702 for this project.

Regards,

Greg

Subject: FW: Statement of Cost for Hale Avenue speed humps

Good afternoon,

The attached Hale Avenue speed humps/signage project cost estimate is \$6,220.00.

Per our records, the D1 Neighborhood Speed Reduction Program accounts have a combined total of **\$5,040** available to allocate to the Hale Avenue speed humps/signage project. Please confirm if your records indicate something different.
Thanks.

- \$6,120 of the \$10,000 budget recorded in account # 8146-410-8210-149101-899998 was allocated to the 4100 block of Winnrose Way (between Cecil Ave and South 43rd Street) speed humps/signage project. This leaves \$3,880.00 budget available to allocate to the Hale Avenue speed humps/signage project.
- \$17,840 of the \$19,000 budget recorded in account # 8144-410-8210-149101-822702 & 831532 was allocated to the Greenwood Avenue (between 32nd Street and Cecil Ave) speed humps/signage project. This leaves \$1,160 budget available to allocate to the Hale Avenue speed humps/signage project.

Therefore, D1 will need to submit a CIF request for \$1,180 to cover the remaining cost for the Hale Avenue speed humps/signage project.

Again, please let us know if your record indicates a different remaining available budget.

Thank you,

LaTonya
