CM Blackwell, it was just decided that Florence paving could not be done in District 15. This paving was part of MAP082014PW15 **Paving portions of Graig Ave, Florence Ave and Naneen Drive (\$9,278.06 coming from D15 paving account). D15 needs to bring this MAP request back for reconsideration so Florence Ave can be changed to Wheeler. Both estimates are \$42,000 so there will be no amount change – only the projects. Will you please approve adding this to the agenda for reconsideration?**

Thanks

Beth
