Dear Councilmember Mulvihill,

We appreciate your support in sponsoring the BrightSite at Newburg Road and Indian Trail in your district. As the new fiscal year is progressing, we continue to provide the maintenance to the BrightSites by mowing where applicable, spraying weeds, pulling weeds and removing litter. The plant material will be trimmed back in the fall and mulch will be applied if needed to begin the winterization of the sites.

I have attached the FY'22 Sponsorship renewal proposal and would like to schedule a time to discuss your BrightSite. If you would be so kind as to send a few dates and times that would work for your schedule we will be happy to get a time on your calendar.

Again, thank you for your support to keep Louisville clean, green and beautiful!

One bright city,
