Council Members,

Our office received NDF paperwork from Maryhurst to fund the replacement of the roof and gutters on one of their cottages built in 1976 that houses 14 girls ranging in ages from 11 to 18 years old. These girls have behavioral and emotional issues as a result of some form of traumatic abuse. The total request is for \$19,512, of which CW Parker is funding 50%. Along with several other councilmembers contributions we are still about \$7,000 short.

Maryhurst serves girls and families in crisis from across all of Jefferson County, any amount you can add on would be greatly appreciated. Please let me know if any of you would like to sign on and I will bring the paperwork by your office. Thanks
