Subject: RE: D9 Budget CIF/MAP Projects for FY 15-16

Kyle,
See below for estimates. 1-4 are good estimates but the rest are very rough and not based on a field review. They should cover the work and are likely high, but until a formal review is made, I can't be for certain.

1. Lindsay Avenue – Hite to Pryor - \$15,000 *
2. N. Bayly – Frankfort to Hollywood Terrace \$47,000
3. Meridian – Nanz to Willis - \$17,000
4. Saunders Avenue – Payne to 227 Bickel - \$23,000

5. N. Hite Avenue – Lindsay to just past Audley - \$30,000
6. Payne Street – Franck to dead end - \$13,000
7. Flint Road – St. Matthews to Dead End - \$9,000
8. Emerald Ave – Coral Ave to N. Bellaire Ave - \$7,000
9. Pryor Ave – Birch Oak Alley to Lindsay Ave - \$7,000 *

Thanks,
Andrew

Subject: D9 Budget CIF/MAP Projects for FY 15-16

Andrew,

Please see below list of CIF/MAP projects we submitted for repaving. We don't have costs associated with each street, but we are hoping MPW can let us know the difference.

Lindsay Avenue is on the list - MPW was going to work that in with Country Club Road. Also, Pryor is on our list and that is right around Lindsay and Country Club.

Also, we are planning to split cost to repave Ormond Road with CW Leet's office. That road should be paved with Flint Road on the below list since they are so close together.

1. Lindsay Avenue – Hite to Pryor - \$15,000
2. N. Hite Avenue – Lindsay to just past Audley
3. Payne Street – Franck to dead end
4. Saunders Avenue – Payne to 227 Bickel
5. Flint Road – St. Matthews to Ormond Road
6. Emerald – Coral to Bellaire
7. N. Bayly – Frankfort to Hollywood Terrace \$47,000
8. Meridian – Nanz to Willis - \$17,000
9. Pryor – Birch Oak Alley to Lindsay

Thank you,
Kyle
