**Cc:** Stenberg, Beth; randjwillen@twc.com  
**Subject:** RE: Bridgegate Retention Basin

Good Afternoon Everyone -

Per CM Blackwell, please add this to the agenda for the 8/18/15 Appropriations Committee meeting because of the time constraints of this issue.

Thanks,  
Liz

**Subject:** RE: Bridgegate Retention Basin

Jess,

Please see the attached Bridgegate Retention Basin cleaning quote from Louisville Landscaping & Excavating LLC for the requested reconsideration of the Bridgegate Retention NDF. CM Yates would like to increase D-25's funding assistance to \$5,000.00 from the original \$2,715.00 appropriated back in December of 2014.

I have requested of Chairman Blackwell that this NDF reconsideration be placed on the August 18th, 2015 Appropriations Agenda in order for Bridgegate to ensure this cleaning is conducted before their September 30th deadline.

Please alert our office of anything further that our office needs to do to ensure this item is ready for reconsideration.

Thank you,

Brian Boles

Subject: RE: Bridgegate Retention Basin

Chairman Blackwell,

CM Yates requests that the Bridgegate Retention Basin NDF approved on 12/12/14 be reconsidered at the Appropriations Committee scheduled on August 18th, 2015. Bridgegate's original contractor was unable to perform the necessary work. After much angst in finding a replacement at a reasonable price the Bridgegate Neighborhood Association has been able to secure an estimate at \$26,588.46 of which they are requesting D-25's assistance with \$5,000; thus amending the original \$2,715 to include an additional \$2,285.

Bridgegate's extension for reporting this NDF ends on September 30th, 2015. In order to ensure this NDF processes through the Council and OMB in time to distribute the first payment of funds to Bridgegate and ensure the final payment is delivered before September 30th to be reported we must act as soon as possible.

Myself and the people of Bridgegate would sincerely appreciate your help allowing this reconsideration to be placed on the August 18th, Appropriations Agenda. Please call me at 574-1125 for any further information.

Thank you,

Brian Boles

Subject: Bridgegate Retention Basin

Beth & Roxanne,

CM Yates' office would like to request that the Bridgegate Retention Basin NDF be reconsidered as I have touched base with each of you regarding the original contractor being unable to complete the work. A second estimate has been accepted by Bridgegate with many of them over \$40,000-\$75,000+ estimated this one is for \$26,588.46.

Bridgegate has requested a total of \$5,000 in assistance from D-25, breaking down the original request from \$2,715 and the current further request to \$2,285. I have requested CM Yates' approval.

Funding is needed as soon as possible as Bridgegate's current reporting deadline ends September 30th. I have called Roxanne to confirm this is the last extension but am not sure. The work is expected to be completed in early to mid-September. Payment is expected upon completion. To avoid further delays with this project I wish to ensure the reconsideration of this NDF be placed on the Appropriations Agenda on August 18th, 2015. I will be requesting this from Chairman Blackwell in a follow up email.

I wished to ask from you what is required from our office to identify this reconsideration? New Request page? New Signed NDF Packet?

I appreciate your help.

Thank you,

Brian Boles

Brian,

We as the Bridgegate board of directors have voted to go with the additional monies of \$2285 bringing the ndf total to \$5000. We will pay the additional \$1445 out of our reserve fund. Thanks so much for your help in this matter.

Ron

# Louisville Landscaping & Excavating LLC
