📍 2505 Technology Drive | Louisville, KY 40299

November 26, 2019

Jeff O'Brien

Director, Develop Louisville

Jeff,

Brown Forman would like to add 4 flags to the front of the building which would increase the current variance permit by 12 sq ft. These will be permanently affixed to the building and the graphics will be able to change from time to time.

Thank you,

Cheryl Kizer
