September 17, 2014

Dear Mrs. Flood:

Southern High School's Youth Services Center understands that any grant funds from the Louisville Metro grant will start on September 4, 2014. The Youth Services Center will not begin paying for any of our counseling programs with metro grant funds until September 4th and after that date.

Thank you for your support.

Sincerely,

A handwritten signature in cursive script that reads "Shauna Paul".
