Attached is a rough working spreadsheet we created to keep track of expenses for the \$200k budget allocation for the Sun Valley pool improvements.

Below is also a summary of the slight budget shortfall we discussed yesterday relating to the current pool house locker room renovation project.

Amount spent to date = **\$140,927.42**

Amount of budget available = **\$59,072.58**

**\$200,000 - \$140,927.42

Current renovation project = **\$65,250.00**

Amount of shortfall = **\$6,177.42**

**\$65,250.00 - \$59,072.58

Please let me know if you have any questions or require any additional information.
