My apologies. The total with the addition of our crews installation is \$145.14. The previous price was priced only for material square footage.
Again my apologies.

Liz,

Absolutely, we can help with this effort.

Bill,

All signs are to remain the same. They just need the "2017" added to the appropriate school recognition sign. What would the fabrication and installation cost for this be?

Thanks,

Stuart Sparks, PE, PTOE

Good Afternoon Stuart –

CM Blackwell worked with Public Works a few years back to have signs recognizing PRP High School's state championship titles placed in front of the school at 5901 Greenwood Road. They have one more notch in their belt and we would like to get that sign updated. The baseball sign needs to have 2017 added.

Is public works able to update the sign? If so, could you please provide an estimate for the update cost? CM Blackwell can appropriate the funding as soon as we have that number.

Thank you,

Liz McQuillen
