Hi Heather,

Several neighbors showed up at 100 N. Crestmoor tonight and Mr. Frank informed us that the meeting is tomorrow 1/26. He also told us that only the people he invited via mailed letter are allowed to attend, as it is his private property and that is his right to limit attendance. He said the only issue is the setback and did not seem to have a clue about the CUP items.

Can you please confirm:

- Will there be a meeting tomorrow 1/26 at 100 N. Crestmoor 6pm?
- Is it a public meeting or "invite only"?
- Is there any requirement to keep record of what is presented at the meeting by the applicant, to ensure they are presenting accurate information?

Thank you,
Emily

Hi Heather,

Thanks again for the call today and the information. A neighbor just brought to my attention that there are conflicting dates on the notices we have received... one says 1/25 and one says 1/26. Can you please confirm which date it is?

Also can you please send a brief summary/description of what he is asking for, as the letter only references the setback issue and not the height?

Thank you,
Emily
