Dear Beth:

I'm writing on behalf of our client, Mike's Carwash, regarding its application for relief from certain portions of Chapter 9 of the Land Development Code in Case 21-WAIVER-0124. Mike's wishes to pursue Waiver #1, which will allow Sign A on the attached revised sign package to include a changing image sign within 300' of a residentially zoned or used property. Mike's would like to eliminate Waivers #2-4 related to Sign E. Sign E has been removed from the sign package as reflected in the attached revised sign package. An updated justification for Waiver #1 is also attached. Please update your staff report and presentation so that the case can be heard and decided at the October 20, 2021 Development Review Committee hearing.

Please also let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Clifford H. Ashburner".
