**RE: Glenwood Circle Street Closure**  
**Case # 15STREETS1002**

Mr. Wagner,

Enclosed please find a formal application for the above mentioned project. This portion of Glenwood Circle was not closed with the last set of street closures for this project to accommodate a remaining residence in the area. Since that time, the property has been purchased by the applicant and is no longer occupied. Therefore, we are now requesting to close the remaining portion of Glenwood Circle. The applicant is the sole adjoining property owner and a majority of the agency comments have been addressed. The only outstanding item is the consolidation of properties which is in progress. As soon as a deed of consolidation has been recorded, I will pass on a copy to you for your files.

Since the applicant is the sole adjoining property owner, please schedule this case for the next available consent agenda. Please contact me with any questions. I can be reached at 502-584-6271 or [kelli.jones@swlinc.com](mailto:kelli.jones@swlinc.com).

Sincerely,

Kelli Jones, RLA/ASLA
