

**BINDING ELEMENTS
CASE NO. 15ZONE1001**

1. The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
2. The development shall not exceed 131,300 square feet of gross floor area.
3. No outdoor advertising signs, small free-standing signs, pennants, balloons or banners shall be permitted on the site, except for as shown on the approved development plan or as permitted by the Land Development Code.
4. Construction fencing shall be erected when off-site trees or tree canopy exists within 3' of a common property line. Fencing shall be in place prior to any grading or construction to protect the existing root systems from compaction. The fencing shall enclose the entire area beneath the tree canopy and shall remain in place until all construction is completed. No parking, material storage or construction activities are permitted within the protected area.
5. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit) is requested:
 - a. The development plan must receive full construction approval from Louisville Metro Department of Inspections, Permits and Licenses, Louisville Metro Public Works and the Metropolitan Sewer District.
 - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
 - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
 - d. A reciprocal access and crossover easement agreement in a form acceptable to the Planning Commission legal counsel shall be created between the adjoining property owner to the south (if ever re-developed) and recorded. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services.
 - e. A Tree Preservation Plan in accordance with Chapter 10 of the LDC shall be reviewed and approved prior to obtaining approval for site disturbance.
6. Prior to any site disturbance permit being issued and prior to any clearing, grading or issuance of a site disturbance permit, a site inspection shall be

conducted by PDS staff to ensure proper placement of required tree protection fencing in accordance with the approved Tree Preservation Plan.

7. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
8. There shall be no outdoor music (live, piped, radio or amplified) or outdoor entertainment or outdoor PA system audible beyond the property line.
9. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
10. The materials and design of proposed structures shall be substantially the same as depicted in the rendering as presented at the May 21, 2015 Planning Commission hearing.
11. The Conditional Use Permit shall be "exercised" as described in KRS 100.237 within two years of the Board's vote on this case. If the Conditional Use Permit is not so exercised, the site shall not be used for a mini-storage facility without further review and approval by the Board of Zoning Adjustment.
