Subject: RE: Street Paving Estimates

Kyle,

I am going to revise the estimate for Mayfair Ln to be \$30,000.00. Just an FYI, I am marking this up because it appears the roadway has been modified at some point and we have a portion of a driveway we may need to remove as well as a mailbox to relocate. Also, if you do prioritize this, just be ready for the phone calls from this homeowner as they will likely be very upset with what we may have to do.

Also, I am checking on Cherry Ln to make sure that is ours to maintain. I find it odd that we would considering it appears there is a business at the end of the road. Assuming we do maintain, the estimate looks fine. Everything else looks fine as well.

Thanks,
