Re: Donation to Louisville Metro Parks

Dear Mr. Storch:

It has been a pleasure working with you and your team regarding the proposed construction of a new pavilion located at the Seneca Golf Course practice tee. It is the intent of Stock Yards Bank & Trust Company to make a donation in the amount of approximately \$62,500 for the construction of the new pavilion structure. In consideration of our gift, we would like to have naming rights for the structure in perpetuity.

The bank is glad to make this donation for the purpose of providing a permanent structure for the Stock Yards Bank \$1 Million Hole-In-One Contest, operated by the Kentucky Derby Festival, Incorporated; and of course, the structure will be used for hosting numerous groups such as The First Tee of Louisville, other youth golfing events and programs, and all other groups supported by Seneca Golf Course and Metro Parks.

Upon completion of the project by our contractor, Hall Contracting of Kentucky, Incorporated, Metro Parks will operate and maintain the structure as it would will all other structures owned by Seneca Golf Course without further financial support of Stock Yards Bank & Trust Company.

If you require additional information or have further concerns about the gift, then please contact me.
