Subject: RE: Public Water Fountain Maintenance

Good afternoon, Amy.

It's that time of year again, we have recently turned on the two public water fountains at Keats & Frankfort and at Karen Lynch Park for the spring.

We were hoping Economic Development would accept \$368.10 from Council Districts 4 and 9 to pay for the maintenance performed by PARC.

Thank you,
Kyle

Reason for Call:

Karen Lynch Park

Turn water back on to drink fountain/dog fountain.

Description of Service:

Opened drinking fountain up to access valves, when turned on the drinking nozzle would not stop dispensing water. Turned it off and took the button diaphragm apart and checked it out, reinstalled with no luck. Bought a new diaphragm and drinking fountain is good to go.

Keats Park

Turn water on to drinking fountain/dog fountain

Description of Service:

Opened drinking fountain up to access valve, when turned on water leaked out of the push lock fitting. I took it apart and cleaned the pipe to help it seal with no luck. Had to buy a replacement push lock male adapter, fought to change it with tight access but installed and good to go.
