Carrie, I rec'd an estimate from another one of our consultants (Qk4 Engineers) to do a survey. The cost will be \$2470.00. Please let me know how you want to proceed.

Thanks,
Mache'

Carrie, we need an official survey for this one. I do have another resource that we can go to for surveying. I will check their fee and get back with you (maybe tomorrow. I've been out of the Office and I'm playing "catch-up" right now.)

Good Morning,

I have a copy of KY Dept of Highway plans of this intersection from 1979 that shows the right of ways, properties would this be of any help with installing sidewalks? Trying to think of ways to save on the \$5K for the survey.

Thanks,
