Elizabeth,

I hope you are doing well! It's been so long since I have seen you! I miss you girl! It has been so weird the last 2 years. Anyway, can you please do me a favor? Cindy is out of town and I need \$1500 transferred to public works for a sidewalk repair at the above address by the next new business deadline on the 16th. I hate to ask you but if you can't I may be able to ask Sonya. They are out there working on adjacent sidewalks and it would be a cost savings because they are already staged. Thanks Elizabeth!! I appreciate your consideration!

I have our inspectors marking it up for repair. Please get us a CIF of \$1500 to cover the costs associated with this repair.

Jeff an Thierry - please get this onto our sidewalk repair list and get with Riverside to have them take on this additional repair. Austin said its about 12 linear feet of sidewalk needing to be repaired, is either a 4 or 5 rating, and that the contractor has not demoed on the other Nancy address we have.

I realize you don't have funding but D14 would cover the cost. Could the contractor give you a cost while on site?

Thanks Matt

We do not have funding available for the repair. It also begins getting very confusing trying to add things last minute between engineering, inspections, and the contractor.

Subject: 7906 Nancy Lane

All,

Mr. Stigal that lives in 7906 Nancy lane just called and said they were out there working on the sidewalks next door. He has a 2 inch tripping hazard. Is there anyway to have it added to the work order while they are staged on-site?

I appreciate your consideration!
