Good morning, Chris.

I am the owner of a short-term rental located at 4538 South 6th Street 40214 that I've been operating under a conditional use permit (16CUP1051). This morning, I spoke with Jon Crumbie and told him that I must now sell this property and wish to have the CUP revoked so that it does not move along to the new owner. He recommended that I write to you concerning this matter.

I live just feet from the permitted property and have been an exceptional steward and neighbor while operating this short-term rental, but I cannot be confident that another owner would be as mindful of the neighbors and our neighborhood. Therefore, I am requesting a revocation of 16CUP1051 and I will not be supporting a future STR CUP for this property.

Thank you for your consideration of this matter.

Regards,

Marilyn Bryan
