REQUEST

Conditional Use Permit to allow short term rental of a dwelling unit in the Traditional Neighborhood Zoning District (TNZD) (LDC 4.2.63)

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct a short-term rental of a residential structure. As the site is located within the TNZD, a Conditional Use Permit is required.

The site is located on the west side of S. 3rd Street between W. Bloom and W. Lee Streets and located within a Traditional Neighborhood form district. It is adjoined by single- and multi-family residential uses to the north, south and west and commercial use to the east.

PVA lists the existing structure as a single-family residence. LDC regulations credit the 50 ft property frontage with two on-street parking spaces. A parking pad of the alley at the rear of the site provides off-street parking for up to four vehicles, if stacked.

The applicant proposes to offer the third-floor for short-term rentals. According to the applicant, it consists of a one-bedroom/one-bathroom suite; LDC regulations permit up to six guests. The applicant resides on the remaining floors of the residence. The proposed rental suite has existing interior and exterior access.
