To adjoining property owners, neighborhood group representatives and the Metro Council person for Council District 10:

I am requesting a Conditional Use Permit to allow me to operate short- term rentals at 904 Ellison Avenue.

We are hoping to have the option to Air BB our home in the future instead of making it a long term rental. We would install cameras, monitor guests and keep it a single family unit as it is today. Our home has been completely renovated and we will continue to actively maintain it as we do while living here should we decide to use it as an Air BB.

We are holding a meeting to discuss our plans on Wednesday May 1 at 7:30 pm, location will be 904 Ellison Avenue 40204. At this meeting, we will explain our proposal and answer any questions you might have.

Thank you!

Lauren and Stephen Garver
