

RESOLUTION NO. 106, SERIES 2021

A RESOLUTION PURSUANT TO THE CAPITAL AND OPERATING BUDGET ORDINANCES APPROVING THE APPROPRIATION TO FUND THE FOLLOWING SOLE SOURCE CONTRACT FOR METRO PARKS CONCERNING THE PURCHASE OF TREES TO BE PLANTED THROUGHOUT LOUISVILLE METRO TO COMBAT THE EFFECTS OF TREE CANOPY LOSS AND THE METRO HEAT ISLAND – TREESLOUISVILLE, INC. – \$75,000.00.

SPONSORED BY: COUNCIL MEMBER FOWLER

WHEREAS, in order to select quality trees to plant to combat the loss of the tree canopy in Louisville and fight the effects of the Metro heat island, multiple contracts are required because no one supplier will have the quantity and quality of trees necessary; and

WHEREAS, stock held by multiple tree wholesalers must be evaluated at the time of tree planting season on-sight on the basis of species needed, quality of stock, size of stock, quantity of stock and price, making each supplier a sole source as to the trees in its possession at the time Metro needs them; and

WHEREAS, noncompetitive contracts are therefore necessary.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:

SECTION I: The following appropriation for the listed contract is hereby approved:

METRO PARKS

\$75,000.00 for a Sole Source Contract with TreesLouisville, Inc. for trees as required based upon review of species needed, quality of stock, size of stock, quantity of stock and price from October 1, 2021 through April 1, 2022.

SECTION II: This Resolution shall take effect upon its passage and approval.
