Mr Hackbart , after our conversation last week I found the original request that was submitted a year ago SR# 10407214 for the sidewalk from the alley behind the boys & girls club to Grand Ave , so now I am confused to why 1050 was done and not the rest of the sidewalk . C Weathers

I understand that but I asked for an estimate for that whole block . from the alley to the corner of Grand Ave which would have included 1050 and would have used D1 funds to do the project . C
