PLANNING &
DESIGN SERVICES

Dear Neighbor,

If you recall, Trilogy Health Services, LLC proposed a skilled care/assisted living campus on Westport Road. The campus plan has been revised to include four additional duplexes on an adjacent parcel, in the process of being acquired. We have filed these revisions with Metro Planning and Design Services, but would like to review the alterations to the plan with you.

We invite you to join us again at the **Grace Evangelical Free Church**, located at **13060 Factory Lane**, on **Tuesday, July 29th at 5:30 p.m.**

We look forward to hearing your thoughts on our updated proposal. Thank you very much for your time and input.
