Keidra,

Without more time to go out and make field observations and take measurements I can't tell you how far this \$27,000 will go towards fixing the sidewalk and the entire median curb on 12th from Broadway to the school. But you can appropriate this money for these repairs and then appropriate more later if needed. Even though I can't give an accurate estimate at this time, at least if you appropriate the funds for the repair they won't get lost after the deadline.

Thanks,

Craig Allen

I received a MAP request for District 4 in which Keidra signed for President Tandy, however, I do not have an email authorizing her to sign this appropriation. I will need that in order for this filing to be complete.

Thank you,
Jess
