Kyle,

Parks will accept these funds. And thanks to all the council members for their support of the project!

I am copying Jason and Jade so they know that there will be funds coming. This is for the Beargrass Creek Trail project for which we have the \$37,500 check from the Jones. Now these funds will be added to that and eventually transferred to Army Corps who will manage the project.

Good Morning,

Councilmembers Hollander, Owen and Tandy have all committed to \$2,500, for a total of \$7,500.

I need an email from Parks stating they will accept these funds, so we can process.

Thank you,
Kyle

Hi Kyle – if it's not too late, Brandon made some changes to the blurb last night. This should be our final version:

Metro Parks, on behalf of the Beargrass Creek Trail Committee (a community group made up of representatives from the Office of Sustainability, UofL, Kentucky Waterways Alliance, the Beargrass Creek Alliance, Bicycling for Louisville, Get Outdoors KY, Waterfront Development Corporation, Botanica and MSD) is seeking contributions to fund a conceptual plan to connect the missing link of the Beargrass Creek Trail between Waterfront Park and Cherokee Park, creating a continuous off-street path connecting two of Louisville's most significant recreational assets. The project would also include an evaluation of strategies to improve water quality and wildlife habitat along Beargrass Creek. Metro Parks has received a pledge of \$75,000 in funding from the Army Corps of Engineers to start the planning stage of the project; however, the funding requires \$75,000 in matching funds from the community. \$37,500 – 50% of our goal – has been obtained so far. But we need your help! Your donation of \$100, \$1,000, \$2,500, or any amount would help Metro Parks attain the \$37,500 still needed. The fundraising deadline is April 10th. **Please send your tax deductible contributions to: Metro Parks (Attn: Lisa Hite), P.O. Box 37280, Louisville, KY 40233-7280.** If you have any questions, please contact Andrea Webster in the Office of Sustainability, at (502) 574-6285.
