**Subject:** Speed Bump Update

Hi Greg,

Last year you gave me a quote for speed bumps; I wanted to get an updated price for the speedbumps at 19<sup>th</sup> and West Madison Street. Mr. Moore turned in the speed hump investigation forms to you as well.

Could you please send me another quote so I can get the process going on our end?

RE: Cost of Speed Humps for W. Madison Street

Three (3) Speed Humps x \$2,800.00 = \$8,400.00  
Two (2) Speed Hump signs x \$260.00 = \$520.00  
Total = \$8,920.00

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$2,800.00 and each sign is \$260.00. Based on our Engineering Studies, a total of three (3) speed humps and two (2) speed hump signs have been proposed for W. Madison Street, between S. 19<sup>th</sup> Street and S. 20<sup>th</sup> Street. The total "not to exceed" cost is \$8,920.00.

The reason for the \$2,800.00 per speed hump cost is because W. Madison Street is approximately 36 ft. in width between S. 19<sup>th</sup> Street to S. 20<sup>th</sup> Street. Street widths that are over 30 ft., the cost per speed hump will be \$2,800.00 as appose to the normal cost of \$2,100.00.

Upon funding approval, the speed humps will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

Gregory A. Dow  
Traffic Engineering

**Notes:**

- Speed Humps are approx. 266 ft. apart
- Street width is approx. 36 ft. wide

**W. Madison Street**  
(From S. 19th Street to S. 20th Street)

- (2) Proposed Speed Humps
- (2) Proposed speed hump signs
