LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

From the articles of incorporation: "To make our community a splendid place to live and work; by community beautification and maintenance, as well as, serving the needs of the residents, business owners and employees." This project will provide visual evidence of traffic patterns to inform the Urban Government Center advisory group regarding vehicular traffic planning needs as the group negotiates a suitable community benefits agreement with Paristown Preservation Trust.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

As a Metro advisory group negotiates a community benefits agreement with Metro's chosen developer regarding the former urban government center property, it has become apparent that the parties must devise a coherent traffic management strategy. There is already some traffic pressure around events at Paristown Hall, and the development proposed for the UGC property will increase both population density and traffic considerably. Beginning July 1, 2022 (Metro's new fiscal year), this funding will enable Paristown Pointe Neighborhood Association and the UGC advisory group to solicit and pay for three or four drone flights during events in progress in order to provide video coverage of current traffic patterns at the area's busiest times. This coverage, supplemented by ground-level still photos of the same traffic patterns, will enable the two entities to establish a current baseline from which traffic projections may be postulated.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

All funding (\$1,400.00) will pay a vendor for drone flights and video. The amount requested is sufficient to cover four (4) flights with work time of one hour or less or three flights with extra charges for extra time. The drone operator is a vendor, and there are no subgrantees whose use of the payment would be reportable to Metro. The amount requested is well below any federal agency's de minimis threshold and would not require legal advertisement or a sealed bid process.

C: If this request is a fundraiser, please detail how the proceeds will be spent:

N/A

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:

- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

~~Any drone flights that might occur between July 1, 2022 and the agreement's execution date.~~ *per S. Taylor*

Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):

- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
- ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

Short-term: Visual data regarding current traffic pattern baseline collected and compiled into narrative description. Intermediate: Traffic management proposal submitted to Paristown Pointe Neighborhood Association, Paristown Preservation Trust, and Urban Government Center Advisory Committee for deliberation. Long-term: Traffic management plan incorporated into community benefits agreement and subsequently implemented.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

The entire community benefit agreement process involves neighborhood associations from Paristown and all adjacent communities (Germantown, Original Highlands, Shelby Park, Smoketown), the proposed developer (Paristown Preservation Trust), and Metro government (advisory group). The neighborhood-based entities and the advisory group (drawn from those entities) represent the interests of the affected neighborhoods. PPT represents the interests of the proposed, future residents of its proposed development. Develop Louisville employees and the applicable Metro Council member may serve as intermediaries and advisors to either side. While the negotiation process is technically adversarial, we are striving to establish common ground and make it as cooperative as possible.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware

Letter 947 (DO/CG)

of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

PARISTOWN POINTE NEIGHBORHOOD

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Charitable Contributions Substantiation and Disclosure Requirements

UNDER THE NEW LAW, CHARITIES WILL NEED TO PROVIDE NEW KINDS OF INFORMATION TO DONORS. Failure to do so may result in denial of deductions to donors and the imposition of penalties on charities.

Legislation signed into law by the President on August 10, 1993, contains a number of significant provisions affecting tax-exempt charitable organizations described in section 501(c)(3) of the Internal Revenue Code. These provisions include: (1) new substantiation requirements for donors, and (2) new public disclosure requirements for charities (with potential penalties for failing to comply). Additionally, charities should note that donors could be penalized by loss of the deduction if they fail to substantiate. **THE SUBSTANTIATION AND DISCLOSURE PROVISIONS APPLY TO CONTRIBUTIONS MADE AFTER DECEMBER 31, 1993.**

Charities need to familiarize themselves with these tax law changes in order to bring themselves into compliance. This Publication alerts you to the new provisions affecting tax-exempt charitable organizations. Set forth below are brief descriptions of the new law's key provisions. The Internal Revenue Service plans to provide further guidance in the near future.

Donor's Substantiation Requirements

Documenting Certain Charitable Contributions. — Beginning January 1, 1994, no deduction will be allowed under section 170 of the Internal Revenue Code for any charitable contribution of \$250 or more unless the donor has contemporaneous written substantiation from the charity. In cases where the charity has provided goods or services to the donor in exchange for making the contribution, this contemporaneous written acknowledgement must include a good faith estimate of the value of such goods or services. Thus, taxpayers may no longer rely solely on a cancelled check to substantiate a cash contribution of \$250 or more.

The substantiation must be "contemporaneous." That is, it must be obtained by the donor no later than the date the donor actually files a return for the tax year in which the contribution was made. If the return is filed after the due date or extended due date, then the substantiation must have been obtained by the due date or extended due date.

The responsibility for obtaining this substantiation lies with the donor, who must request it from the charity. The charity is not required to record or report this information to the IRS on behalf of donors.

The legislation provides that substantiation will not be required if, in accordance with regulations prescribed by the Secretary, the charity reports directly to the IRS the information required to be provided in the written substantiation. At present, there are no regulations establishing procedures for direct reporting by charities to the IRS of charitable contributions made in 1994. Consequently, charities and donors should be prepared to provide/obtain the described substantiation for 1994 contributions of \$250 or more.

There is no prescribed format for the written acknowledgement. For example, letters, postcards or computer-generated forms may be acceptable. The acknowledgement does not have to include the donor's social security or tax identification number. It must, however, provide sufficient information to substantiate the amount of the deductible contribution. The acknowledgement should note the amount of any cash contribution. However, if the donation is in the form of property, then the acknowledgement must describe, but need not value, such property. Valuation of the donated property is the responsibility of the donor.

The written substantiation should also note whether the donee organization provided any goods or services in consideration, in whole or in part, for the contribution and, if so, must provide a description and good-faith estimate of the value of the goods or services. In the new law these are referred to as "quid pro quo contributions."

Please note that there is a new law requiring charities to furnish disclosure statements to donors for such quid pro quo donations in excess of \$75. This is addressed in the next section regarding Disclosure By Charity.

If the goods or services consist entirely of intangible religious benefits, the statement should indicate this, but the statement need not describe or provide an estimate of the value of these benefits. "Intangible religious benefits" are also discussed in the following section on Disclosure By Charity. If, on the other hand, the donor received nothing in return for the contribution, the written substantiation must so state.

The present law remains in effect that, generally, if the value of an item or group of like items exceeds \$5,000, the donor must obtain a qualified appraisal and submit an appraisal summary with the return claiming the deduction.

The organization may either provide separate statements for each contribution of \$250 or more from a taxpayer, or furnish periodic statements substantiating contributions of \$250 or more.

Separate payments are regarded as independent contributions and are not aggregated for purposes of measuring the \$250 threshold. However, the Service is authorized to establish anti-abuse rules to prevent avoidance of the substantiation requirement by taxpayers writing separate smaller checks on the same date.

If donations are made through payroll deductions, the deduction from each paycheck is regarded as a separate payment.

A charity that knowingly provides false written substantiation to a donor may be subject to the penalties for aiding and abetting an understatement of tax liability under section 6701 of the Code.

Disclosure by Charity of Receipt of Quid Pro Quo Contribution

Beginning January 1, 1994, under new section 6115 of the Internal Revenue Code, a charitable organization must provide a written disclosure statement to donors who make a payment, described as a "quid pro quo contribution," in excess of \$75. This requirement is separate from the written substantiation required for deductibility purposes as discussed above. While, in certain circumstances, an organization may be able to meet both requirements with the same written document, an organization must be careful to satisfy the section 6115 written disclosure statement requirement in a timely manner because of the penalties involved.

A quid pro quo contribution is a payment made partly as a contribution and partly for goods or services provided to the donor by the charity. An example of a quid pro quo contribution is where the donor gives a charity \$100 in consideration for a concert ticket valued at \$40. In this example, \$60 would be deductible. Because the donor's payment (quid pro quo contribution) exceeds \$75, the disclosure statement must be furnished, even though the deductible amount does not exceed \$75.

Separate payments of \$75 or less made at different times of the year for separate fundraising events will not be aggregated for purposes of the \$75 threshold. However, the Service is authorized to develop anti-abuse rules to prevent avoidance of this disclosure requirement in situations such as the writing of multiple checks for the same transaction.

The required written disclosure statement must:

- (1) inform the donor that the amount of the contribution that is de-

deductible for federal income tax purposes is limited to the excess of any money (and the value of any property other than money) contributed by the donor over the value of goods or services provided by the charity, and

- (2) provide the donor with a good-faith estimate of the value of the goods or services that the donor received.

The charity must furnish the statement in connection with either the solicitation or the receipt of the quid pro quo contribution. If the disclosure statement is furnished in connection with a particular solicitation, it is not necessary for the organization to provide another statement when the associated contribution is actually received.

The disclosure must be in writing and must be made in a manner that is reasonably likely to come to the attention of the donor. For example, a disclosure in small print within a larger document might not meet this requirement.

In the following three circumstances, the disclosure statement is not required.

- (1) Where the only goods or services given to a donor meet the standards for "insubstantial value" set out in section 3.01, paragraph 2 of Rev. Proc. 90-12, 1990-1 C.B. 471, as amplified by section 2.01 of Rev. Proc. 92-49, 1992-1 C.B. 987 (or any updates or revisions thereof);
- (2) Where there is no donative element involved in a particular transaction with a charity, such as in a typical museum gift shop sale.
- (3) Where there is only an intangible religious benefit provided to the donor. The intangible religious benefit must be provided to

the donor by an organization organized exclusively for religious purposes, and must be of a type that generally is not sold in a commercial transaction outside the donative context. An example of an intangible religious benefit would be admission to a religious ceremony. The exception also generally applies to de minimis tangible benefits, such as wine, provided in connection with a religious ceremony. The intangible religious benefit exception, however, does not apply to such items as payments for tuition for education leading to a recognized degree, or for travel services, or consumer goods.

A penalty is imposed on charities that do not meet the disclosure requirements. For failure to make the required disclosure in connection with a quid pro quo contribution of more than \$75, there is a penalty of \$10 per contribution, not to exceed \$5,000 per fundraising event or mailing. The charity may avoid the penalty if it can show that the failure was due to reasonable cause.

Please note that the prevailing basic rule allowing donor deductions only to the extent that the payment exceeds the fair market value of the goods or services received in return still applies generally to all quid pro quo contributions. The \$75 threshold pertains only to the obligation to disclose and the imposition of the \$10 per contribution penalty, not the rule on deductibility of the payment.

Mr. Josh Pickrell
1025 Lampton St.
Louisville, KY 40204

Dear Josh:

As we discussed by email and after confirming with you the necessary information, I filed the IRS Form 990-N on behalf of the Paristown Pointe Neighborhood Association ("PPNA") for its 2020 tax year on April 20, 2021.

Enclosed is the IRS Form 990-N Confirmation page showing that the IRS accepted this electronic filing. I am also enclosing an Information Copy of the filing which shows all the information provided. Please keep these documents with the organization's permanent records as proof of filing. The information on the filing is required to be publicly available and will be posted in the near future on the IRS website under the Tax Exempt Organizations Search feature.

Please review the enclosed two-sided printout entitled *Annual Electronic Filing Requirement for Small Exempt Organizations – Form 990-N (e-Postcard)* which provides important information about the Form 990-N. This printout is also available online at www.irs.gov (type the title in the search box) with links to much more information about Form 990-N.

As a 501(c)(3) organization, PPNA is required to file a Form 990-series return or notice with the IRS each year. There are different eligibility requirements for different forms. To be eligible to file the simple electronic Form 990-N, an organization's annual gross receipts must be normally \$50,000 or less. For organizations at least three years old, this means that the organization averaged \$50,000 or less in gross receipts for the immediately preceding three tax years ending with the tax year for which the form is being filed. (For example, to calculate eligibility for the 2020 tax year, an organization would calculate whether its gross receipts averaged \$50,000 or less over the 2018, 2019 and 2020 tax years). Organizations whose annual gross receipts are normally over \$50,000 must file one of the other versions of Form 990, which are longer and require more information. To be able to determine which particular version of Form 990 an organization is eligible to file, it is important for the organization to keep detailed financial records showing the sources and amounts of all donations and other income.

Also, Form 990-N cannot be filed by organizations which are classified as private foundations. The IRS initially classifies each 501(c)(3) organization as either a public charity or private

Mr. Josh Pickrell

Page Two

foundation. Many organizations qualify as public charities by meeting a public support test which must be maintained over time. If you have questions about public charity requirements applicable to PPNA please let me know.

If PPNA fails to file the applicable Form 990-series return or notice for three (3) consecutive years, it will automatically lose its 501(c)(3) tax-exempt status as of the filing due date for the third year. It would then be required to re-apply for IRS recognition of its exempt status and pay a fee.

PPNA's annual filing is by due May 15th each year. Please make a note on your calendar to file the required form with the IRS each year, before May 15th. You can file your next form (for the 2021 tax year) any time after December 31, 2021. It is important that you and the board members make arrangements to file with the IRS each year. If you or someone from the organization would like to do the Form 990-N filing in the future, see the enclosed *Annual Electronic Filing Requirement for Small Exempt Organizations – Form 990-N (e-Postcard)* printout for information on how to register and electronically file the Form 990-N. If you would like me to file Form 990-N for the organization next year, please do not hesitate to contact me to see if I would be available to help at that time.

Please let me know if you have any questions about any of this information. I will be closing my file on this matter soon. Thank you for contacting me regarding PPNA's annual IRS filing requirement.

Sincerely,

Lisa Kilkelly
Staff Attorney

Proposal for Sponsorship Support

To: Louisville Metro Council

From: Shannon Westerman, 417 Kensington Ct, Louisville, KY 40208

Project: **LAND OF TOMORROW / The Vision & Grace of Frederick Law Olmsted**, Sept 8–Oct 23, 2022

OVERVIEW

My name is Shannon Westerman and I wanted to inform you about an upcoming Arts & Culture project that will be of keen interest to residents within your district and throughout the Metro.

This year, we celebrate the bicentennial of Frederick Law Olmsted's birth. In honor of FLO and his iconic designs of Iroquois, Cherokee and Shawnee Parks and connecting Parkways, I am curating a multimedia Art & Culture exhibition, **LAND OF TOMORROW / The Vision & Grace of Frederick Law Olmsted**, September 8–October 23, 2022. This proposal serves as a request to the Louisville Metro Council to sponsor and provide financial support of \$4000–5000 (40-50%) of total estimated budget costs to produce this public Art & Culture exhibition program (admission will be FREE).

After 12 years in New York City, I returned to Louisville in 2008 and served as the executive director of Louisville Visual Art from 2008-15. Fortunate to live in two great cities with Olmsted parks, I have always been a "fan of FLO". I reside in Old Louisville but for 12 years I lived joyfully close to Cherokee Park. During the pandemic I took a deep dive into Olmsted's personal and professional history. I was disappointed to learn that unlike other cities with Olmsted Parks, the Louisville Metro government nor any of the affiliated organizations to Olmsted Parks were not doing more to celebrate the FLO bicentennial. COVID was the primary civic concern over the past two years. Yet, ironically, during the recent years of social unrest and public health crises, Olmsted Parks have been a welcome respite for ALL Louisvillians - exactly as Olmsted envisioned 135 years ago! And for an even stronger reason why the citizens of Louisville Metro deserve the opportunity to honor the father of landscape architecture and celebrate what Olmsted referred to as "the genius of place" - our incredible system of Olmsted Parks!

Why is LAND OF TOMORROW Important to the Community?

Olmsted's two-hundred-year milestone is an ideal platform + opportunity to educate, engage, activate park usage and amplify the communal issues of today and tomorrow. The LAND OF TOMORROW exhibition program offers the public a FREE cultural experience to explore History, Nature, environmental science, Horticulture, Forestry, Physical+Emotional Well-Being, Art, etc... through the lens' of a creative corps of artists, FLO's bicentennial and the three flagship parks Olmsted designed for Louisville in 1891.

A MONUMENTAL ARTS & CULTURAL EXPERIENCE

The multi-media group exhibition will take place at a new venue in Old Louisville, *Carbon Copy Artspace*. The title of the exhibition is **LAND OF TOMORROW / *The Vision & Grace of Frederick Law Olmsted***, September 8–October 23, 2022. Nearly 100 multimedia artworks - from 35+ diverse artists across the Metro - will be united with historical artifacts, archival photography and objects from science, nature, music & design to communicate the unique story of Olmsted Parks in Louisville: a positive, proud story and inclusive experience catered to every generation of every family in Louisville Metro.

The talented group of exhibiting artists share two common attributes: *they love Louisville and they love our Olmsted Parks*. LAND OF TOMORROW is the conduit for the promise of tomorrow, today. Visitors will see, hear and feel Olmsted's vision and how Olmsted's landscapes have impacted the lives of Louisvillians for over 135 years. Right now, talented artists from every corner of the Metro are creating new, never-before-seen works in honor of Frederick Law Olmsted and inspired by his iconic landscape designs for the original Shawnee, Iroquois and Cherokee Parks system - Louisville has only one of only three public park systems designed by FLO during his brilliant, long career.

The exhibit will be FREE and open to the public. Neither the artists or myself are receiving a stipend for time or service (exhibit artworks will be available for purchase). Alas there are expenses related to producing a public program of this magnitude and quality. Thus, I am humbly seeking financial support from the Louisville Metro Council. Your consideration and partial underwriting of this landmark project will help educate, inform, and yes, offer a transcendent experience for thousands of visitors. Thank you!

Below, please find the estimated budget to produce this community art exhibition program; list of exhibiting artists and images of the venue. CARBON COPY GALLERY is located at 1212 S Fourth St. The space was founded by Shohei Katayama, an honor graduate of Bellarmine with an MFA from Carnegie Mellon University. Katayama recently returned to establish an artistic practice and is an Associate Professor at KENTUCKY COLLEGE OF ART & DESIGN (KyCAD).

🌳 *Olmsted Parks Louisville* were designed to function as a public square where people from all backgrounds could come together. Frederick Law Olmsted understood the powerful interface between thoughtful design and social justice. And his prescriptions — democratic spaces, community, healthful connections to nature and sustainable landscapes — are critical to address racism, inequality and climate change, today.

PUBLIC INVESTMENT *for* PUBLIC GOOD

I realize the FY '23 budget process is in full swing but my understanding of next steps, here, is limited. I am happy to discuss the exhibit in greater detail, answer inquiries, host a tour of the gallery and exhibition plan, deliver a group presentation, complete a request form or whatever is necessary to help fund the exhibit production expenses for **LAND OF TOMORROW / *The Vision & Grace of Frederick Law Olmsted***. Currently, we have received \$800+ from individual contributions. Layla George has committed financial support from Olmsted Parks Conservancy (amount TBD) and outreach to individuals, businesses and foundations has begun. (current staff = one volunteer--me!) Funding is of the essence, of course, for exhibit production & preparation/installation materials, logistics, communications, digital design & printing, marketing, media promotion and to hire local talent to design and install the community arts & project within 5000sf raw space, Carbon Copy Gallery. *Art Sanctuary, 501(c) 3 is the program fiscal agency.*

The artists, production team and I welcome and appreciate your participation & support. Please contact me at any time in person, by voice call, email or text to answer inquiries and provide more exciting details to **LAND OF TOMORROW / *The Vision & Grace of Frederick Law Olmsted***.

🦋 **BIG THANK YOU** to our generous in-kind partners for their support: Carbon Copy Artspace/Shohei Katayama, Frazier History Museum, The Filson Historical Society, U of L Photographic Archive, The Speed Museum and other local non-profit organizations. **LAND OF TOMORROW** is an official program of the National Association of Olmsted Parks (NAOP) *Olmsted 200* program.

THANK YOU!

a personal note 🌱 LAND OF TOMORROW / *The Vision & Grace of Frederick Law Olmsted*

As the curator and lead producer to this community exhibition, it is my hope that the LAND OF TOMORROW experience will expand the public's understanding and appreciation for the vision and grace of Frederick Law Olmsted and spark renewed commitment to environmental stewardship and protection of Louisville Metro Olmsted Parks

With this project, we are inviting guests to experience Art, Science and Nature in a different environment - not in a museum, not in a Park nor a classroom, and not on one's personal device! A new level of experience begets a new way of seeing and thinking. **Yet community engagement is made possible only by the moving images, photographs, sculptures, paintings, drawings, marks, gestures and words of the exhibiting artists and the creative possibilities of their shared interaction.** I am honored by the participation of the amazing artists working in, and contributing to, neighborhoods across Louisville Metro.

Today, Olmsted's democratic vision of public parks and their capacity to bring communities together is more important than ever. With support from Louisville Metro government, led by proud council members from districts encompassing Shawnee, Iroquois and Cherokee Parks and their neighborhood associations, as well as, the host district to Carbon Copy Gallery in Old Louisville... Let us honor Frederick Law Olmsted's bicentennial year by celebrating the three historical works of art designed for Louisville, Iroquois, Cherokee and Shawnee Parks — the origin of Louisville Metro's magnificent system of Olmsted Parks - the "land of tomorrow" since 1891.

Shannon Westerman, Curator + Producer

Never underestimate the power of creativity.

I have all my life been considering distant effects and always sacrificing immediate success and applause to that of the future.
