**Please submit the completed application along with the following items:**

**Required for every application:**

- Land Development Report<sup>1</sup>
- Current photographs showing building front, specific project area, and surrounding buildings
- Elevations, pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement

**Site and Project plan:** *(required for building additions, new structures and fencing)*

- Site plan drawn to scale with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- Floor plans drawn to scale with dimensions and each room labeled
- Elevation drawings (a drawing showing exterior walls) drawn to scale with dimensions. For fencing, only photos/drawings of the proposed fence are required.

**Committee Review Only**

*Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.*
