00:06:11 Dave Marchal reminded the Commissioners of their role in the nomination process. Mr. Marchal stated this is a discussion and review and a vote of recommendation to the State whether or not you believe that the property being presented meets the standards of National Register Nomination (see recording for detailed presentation).

00:07:21 Commissioner Coan stated his understanding was that this application was withdrawn (see recording for detailed presentation).

00:07:24 Dave Marchal stated the owner of the property, LG&E, just recently received the official nomination paperwork within the past few days. Mr. Marchal stated the nomination was not prepared at their request so it's a little unusual and they're playing catch up. Mr. Marchal stated they have respectfully asked if we could defer review of this particular nomination, and staff supports that, just to give them time to look at the documents and be prepared to engage in a conversation on it. Mr. Marchal stated the sixty days on this particular nomination ends December 4, so we can either poll the group now or we can come back for a special meeting perhaps November 30 or December 1 and review the nomination at that time (see recording for detailed presentation).
