In the email above, you said that you would send a request to the Clerk's office to rescind the \$22,000 appropriation below.

If this rescission has occurred, could you send me a copy of the appropriate minutes so I can do the necessary budget revision.

Andrew-

The rating that I received from you on September 19 says that Six Mile Lane is a 65/100 for you know if that has changed with the new information you received regarding the ratings in late October? If so could you give me the updated number?

Thanks,
Erin

Erin,
There are no plans to pave six mile at this time. I've copied maintenance to check into the pothole repairs. I will check on the estimates. Do you know what section he wanted an estimate on?

Andrew-

Can you help us with this? I am not aware of plans to repave Six Mile Lane maybe you know otherwise, but do you know if Metro is going to repair the potholes?

I know that Councilman Kramer has asked for a rating and cost estimate to repave portions of Six Mile Lane but we have not received it yet.

Thanks,
Erin Hinson
