All,

Here is the invoice from the city for the Dumpster and garbage cans. Please let me know if there are any questions as to what we need to do at this point to ensure the City gets paid and we get balance billed.

Marquita this will confirm that we would also like to get a dumpster from the city but as I said earlier unfortunately we don't have space for a recycling dumpster also, but will use the orange polycarts for our recycling needs.

Thanks to all
